

Assessment stable but late collection worries taxing bodies

By BILL WINTER
of the Press-Record

Contrary to fears of a shrinking tax base expressed by officials of some taxing bodies, assessments in the Quad-City area apparently will be about the same as a year ago, the Press-Record learned Friday.

However, tax billing and collection may take place at least a month later than was the case last summer, further complicating taxing agencies' summertime cash flow problems.

GRANITE CITY SCHOOLS expect to borrow funds soon by issuing additional tax anticipation warrants, a spokesman said Friday.

Official assessed valuation totals and tax rates were announced in early June of 1983. The new official figures are not yet ready, but

estimates indicate the local valuation will be relatively stable.

Madison County authorities say the Quad-City area's \$369,758,370 real estate base may rise about seven-tenths of one percent. An increase of \$2,547,341 would bring the grand total to \$363,305,711.

PROJECTIONS of assessment totals and probable multipliers tend to fluctuate, so there are no guarantees of the tax base until the formal announcement is made.

But it currently appears that the year-ago Granite City Township assessment of \$216,071,910, which reflected a 1.0709 multiplier, may drop only slightly, to \$215,774,333.

Assessor books show a reduction to \$188,998,740 but a 1.0843 township multiplier here is likely, Supervisor of Assessments James Barton said.

In Nameoki Township, there is ex-

pected to be an increase from last year's \$64,324,520 (based on a 1.0406 multiplier) to \$67,210,031, assuming a new multiplier of 1.0578 applied to \$65,392,130.

CHOUTEAU TOWNSHIP, at \$41,965,430 a year ago (with a 1 multiplier), is shown on assessor books as increasing to \$44,799,820. But a record negative multiplier of .9294 may set the final new figure at \$41,636,952, Barton said.

Venice Township, consisting of the Madison and Venice area, was assessed a year ago at \$38,396,510, taking into account a 1.027 multiplier.

With a potential multiplier of 1.0211, the latest Venice Township assessor total of \$37,985,029 appears headed for a final figure of \$38,684,393.

MADISON COUNTY traditionally

achieves a multiplier of 1, constituting no multiplier. It does this by setting township multipliers that have the aggregate result of achieving a county valuation total deemed sufficient and accurate by the state government.

Financial experts are to attend tomorrow night's Granite City Board of Education meeting to outline their ideas of how the school system could reduce operating debt and finance needed expenditures.

The board met for nearly four hours early Thursday evening to review the progress of negotiations with Teachers Federation Local 743.

BOARD MEMBERS said afterward that additional research is being done on cost projections.

Negotiations began this morning between the school district and custodians and cafeteria employees

represented by Building Service Employees Local 98.

A hearing is to be held Wednesday from 9 to 11:30 a.m. at the Mount Vernon Holiday Inn on the financial needs of public schools.

ILLINOIS SUPT. of Education Donald G. Gill said hearings are being held across the state to document districts' fiscal requirements.

Testimony will be provided to legislators in an effort to encourage them to increase the level of education funding. The General Assembly is completing its 1984 session this month.

"Lawmakers want to do more for schools, but they must be shown that specific requirements exist. That is the task at hand for the education community," Dr. Gill said.

"LOCAL-LEVEL school officials are being given the opportunity to

tell about the impact of financial problems on their districts. They are explaining how much the continuing lack of adequate revenue has hurt the quality and quantity of educational programs for our children.

"The State Board of Education has recommended a \$285 million increase to meet the 1984-85 program needs of schools. However, Governor Thompson has recommended only 27 million 'new' dollars as part of his budget plan.

"The House Appropriations Committee approved a \$55 million increase and forwarded it to the full House. The most encouraging action came in the Senate, where the Appropriations II Committee approved a \$105 million rise in general state aid and sent it to the Senate for consideration."

Brimberry is sentenced to another 10 years in prison

By PAT HAYLUTZ
of the Press-Record

Telling former Stix and Co. Senior Vice President Thomas Brimberry on Friday that he could not "steal millions of dollars and walk away with a slap on the wrist," U.S. District Court Judge Clyde S. Cahill sentenced the 41-year-old Granite City man to seven five-year terms in prison.

Brimberry faced sentencing on each of seven counts.

THE JUDGE stipulated that Brimberry would serve five-year terms for perjury concurrently and two five-year terms for concealing assets concurrently.

The five years for each group of charges are to be served consecutively, making Brimberry's actual time to be served 10 years.

Along with the 10 years he already is serving for obstructing justice, the new 10-year sentence means he must serve at least 6 2/3 years before he could be considered for release from custody.

BRIMBERRY, admitted mastermind of the \$16 million embezzlement scheme which permanently closed the Stix and Co. securities brokerage firm of St. Louis in November 1981, cried as he was led

from the courtroom following the sentencing.

The sentence he is currently serving was imposed by U.S. District Court Judge William Beatty one year ago, after a jury found Brimberry guilty on two charges of obstructing justice.

Brimberry's attorney, David Lubell, was not satisfied with the new sentence, saying, "This judge has compassion."

PROSECUTING attorneys Ronald Kane and Terry Adelman had filed a memorandum asking the judge to impose a severe sentence, requesting that Brimberry be forced to serve more time than others con-

victed in connection with the fraud. Previously convicted conspirators include Brimberry's attorney, James Massa; his accountant, Duane Skimmer; his brother-in-law, Arthur Miller Jr.; Madison businessman Jerry Maers, and Stix co-worker Leonard Bednar.

Massa received a 24-year sentence for his participation in the scheme.

In a statement to Judge Cahill, Lubell asked for a light sentence, arguing that Brimberry was "contrite and has shown remorse" for "this first-time offense."

GOP's Weber cleared; Democrats seek unity

By ED GURNEY

Madison County State's Attorney Don Weber said in the wake of a judge's ruling Thursday that it is time for an end to allegations against him.

"Today is, hopefully, the end of 18 months of accusations against me," Weber said. "Today all of them have been disproven."

CIRCUIT JUDGE Howard White of Jersey County Thursday dismissed two counts of official misconduct against Weber.

"I'm an honest public official and I always have been and always will be," Weber told reporters.

Special prosecutor Paul Verticchio of Gillespie, who argued against dismissal of the charges, said, "Our office will review the judge's opinion and decide what action, if any, to take." Verticchio's opinion is whether

or not to appeal the ruling, he said.

WEBER HAD been accused of directing then-assistant Keith Jensen to obtain grand jury indictments before the March 20 primary in a probe of assessment practices. Weber was also accused of later telling Jensen to have the grand jury issue the indictments before the next session of a separate special grand jury investigating Weber himself.

Weber won renomination in the Republican primary and is a candidate for re-election in this fall's general election.

The grand jury issued the indictment in April.

Weber said there were four or five technical arguments that could have been used to seek dismissal of the charges. He said he refused to let those technicalities be used. "I

Opposition to exhaust tests

The U.S. continues to warn of a highway fund cutoff unless there are auto exhaust tests here. But opposition to such pressure was voiced at a federal hearing Friday in Collinsville and by such groups as the East-West Gateway Coordinating Council, Bi-State Development Agency and Regional Commerce and Growth Association.

State Sen. Frank Watson, Carlyle Republican, said at the hearing that any emission test program mandated by the federal government should be limited; it should affect no more than 100 vehicles.

Democrats are seeking unity under the leadership of their new Madison County party chairman, Mac Warfield, and all segments will participate in a rally from 2 to 6 p.m. Sunday, June 10, at Maryville Park, Route 159, Maryville.

Officials at the third annual Democratic picnic, which is open to the public, will include U.S. Senator Alan Dixon. Demco is an acronym for Democratic Elected Madison County Officials.

CONG. PAUL SIMON, Illinois' Democratic senatorial nominee, and Cong. Melvin Price are hoping to attend the event but have not given final confirmation.

County Democratic officeholders will participate along with Richard Allen, the nominee for state's attorney.

Christian school group willing to compete to lease Nameoki

By BILL WINTER
of the Press-Record

Competitive leasing of Nameoki School is being cited by Pastor Tom Edwards as a possible way in which that unused public school building could be utilized as a Christian school.

Edwards has defended his proposal for establishment of a Christian school at the Pontoon Road campus, even though the idea drew no support from school board members.

A CONSTITUTIONAL requirement, that no law establish a religion, was noted by the Granite City Board of Education May 1 in deciding not to make the school available to the Agape Fellowship.

At the May discussion, School Attorney William Schooley quoted Pres. Thomas Jefferson as having said that wording of the U.S. Constitution was intended to erect "a

wall of separation between church and state."

The Agape group is described by the Protestant minister as a coalition of 25 to 30 pastors and congregations hoping to develop an elementary and secondary church school to serve about 200 children.

PASTOR of the Church of God on West Pontoon Road and president of Agape Fellowship, Pastor Edwards said during the weekend, "I wish to respond to the Unit Nine school board's decision to block leasing of Nameoki School."

He characterized the "separation of church and state" issue as "a smoke screen," adding:

"Anyone could easily figure out that the school could have been put up for public bid. If someone else gave a better bid than Agape Fellowship, then let them lease the school."

"I draw special attention to the

quote of Tom Edwards stating a 'token amount' for the lease. That term was spoken regarding the actual cash that would exchange hands.

"THE FULLNESS of the 'token amount' would be to bring the school building up to good repair and do the cosmetic maintenance at a cost of \$75,000 to \$100,000, plus lifting approximately \$38,000 per year off the Unit Nine budget in operation, maintenance, repair, replacement, upkeep, insurance of both the building and grounds, not to mention protection from vandalism and deterioration.

"If this is not substantial, then I don't know the meaning of the word," Pastor Edwards asserted.

"Further, Agape Fellowship agreed that, with a one-year notice, the school would be vacated for reopening or sale by Unit Nine.

"I DON'T KNOW of anyone who would make this kind of investment and capitol outlay and agree to such terms on a pro-rated basis.

"I certainly cannot support a tax referendum in November for Unit Nine with this kind of fiscal irresponsibility—repairing, maintaining and insuring buildings and grounds that are sitting unused, vacant, deteriorating and vandalized—when this kind of substantial revenue is blocked under the guise of separation of church and state.

"In fact, I feel that I am forced to be an activist against the tax referendum and encourage others to join me," he concluded.

THE SCHOOL DISTRICT has discussed the possibility of a tax rate election in the fall of 1984 but has reached no final decision on it. Facilities in need of renovation have been visited by board members

and administrators as a step in preparing a priority list of the most urgently needed repair projects.

The district closed six of 18 active schools in the summer of 1983 and since then has sold several buildings.

THE MAY 1 NAMEOKI School decision was based on a legal opinion that a state-owned school cannot be leased as a private, sectarian school.

The opinion said such a rental contract would be a government benefit tending to preserve and support particular religious views and opinions.

Pastor Edwards also has voiced disagreement with an "editorial of the Illinois Association of School Boards and the Illinois Association of School Administrators published May 7."

He said, "It is high time that public school administrators recognize that (1) the majority of the citizens of this country are Bible-believing Christians.

"(2) THE DILEMMA of the public schools has been brought about by the fact that God and the Bible have been expelled from them.

"(3) Christians are carrying a double load by paying their taxes in support of public schools while at the same time paying tuition if they opt to send their children to parochial schools.

"(4) The Christian people of this land are 'public,' too, and not isolated from the rest.

"(5) WE ARE TIRED of supporting a system that we do not believe in, that is spending perhaps up to three times the amount of dollars per student as parochial schools spend to educate the same child.

"I might add that normal children

do not come out of parochial schools unable to read and write.

"Yet, the schools continue to cry out for more and more money from taxpayers who, as I stated, are primarily Bible-believing Christians.

"AS FAR AS SAFETY is concerned, the same children who attend public schools during the weekdays attend our safe church schools on Sunday.

"I am sure the churches are safe enough Monday-Friday as well as on Sunday," Pastor Edwards continued.

"Let me carry forth the same analogy for consideration: Suppose you helped to finance the building of a community swimming pool and yet you were given no voice and the operations of that swimming pool were in diametric opposition to your convictions.

"You decided to build your own pool. No, you would not expect your neighbors to support your private pool. But neither should you be expected to continue to chip in on the community pool, either.

"WE ARE REQUIRED to do just that under our present tax structure.

"Remember that private and parochial schools receive their tuition money from the same source, the taxpayers—parents of school children.

"The state does furnish bus service—not for the private and parochial school but for the safety of the children of taxpayers. It seems the least they can receive for their tax dollars paid, when they are not using the Godless, Bibleless system of our public schools.

"A SERIOUS question: Is the state supporting parochial and private schools at the expense of our public schools? I think the answer is 'No.'

"Rather, the taxpayers of the private and parochial schools are supporting many of them against their will, a public educational system that they neither trust nor believe in.

"And so, the state—in return—furnishes busing for the safety and concern of their children. This is assistance to the parents, not to the private and parochial schools.

"STRONG CHRISTIAN schools would make America stronger.

"Quality and efficient Christian education is the answer for forcing responsible behavior on the school boards of this state and nation.

"The real cornerstone of a prosperous and growing state and nation is not public education, but to discover afresh what has made us great in the first place—a Christian nation under God."

Compromise reached on nursing home reform bill

Illinois House Speaker Michael J. Madigan and State Senator William Marovitz (D-Chicago) have announced a compromise agreement to implement tough, new regulations for the operations of nursing homes.

State Representatives Barbara Flynn Currie (D-Chicago) and Larry Bullock (D-Chicago), the chief co-sponsors of the House reform measure joined Madigan and Marovitz at the press conference. State Senator Aldo DeAngelis (R-Chicago Heights) is the co-sponsor of the legislation pending in the Senate.

House Bill 2878, co-sponsored by Speaker Madigan, passed the House Thursday afternoon on a vote of 90 to 0, with 10 legislators voting present.

The bill now moves on to the Senate where Senators Marovitz and DeAngelis expect it to receive a speedy approval.

"This legislation represents the culmination of many hours of hearings and negotiations that have stretched over two sessions. It will go a long way toward making sure those who must depend on nursing home residents will not be taken advantage of," Madigan said.

"With this legislation we are mandating tough enforcement against those who have committed abuses using loopholes in the existing laws and providing fairer treatment for those who operate quality facilities," said Marovitz, chairman of the Illinois Senate Subcommittee on Nursing Home Reform.

Both lawmakers noted the legislation will enjoy the support of Illinois Citizens for Better Care, the Better Government Association, Illinois Public Action Council, Illinois Nurses Association, Attorney General Neil Hartigan and Cook County State's Attorney Richard Daley.

"The legislation responds to requests by the Illinois Department of Public Health to streamline and strengthen their enforcement procedures.

"Last fall, I announced that I would not support additional funding for nursing home operators until we reached agreement on legislation aimed at ending a situation which has led to abuse of senior citizens and the disabled of this state. Today I can state we have reached agreement with nearly all of the parties concerned," Madigan said.

"We have provided for tough enforcement by cracking down on illegal operators. For instance, unlicensed operators will be put out of business immediately by fining them \$5,000 a day for every day they continue in operation. Yet, fairer treatment is now provided for those who operate quality facilities," said Marovitz.

The legislation HB 2878, calls for: —Creation of a 24-hour hotline for reporting suspected nursing home abuse.

—Mandating educational programs to train people on how to detect and report violations.

—Development of emergency plans for dealing with weather emergencies.

—Imposition of fines of up to \$10,000 for convictions of life threatening or health threatening violations.

—Clarification of the duties of the attorney general and states attorney to investigate suspected violations.

—Providing, under the Freedom of Information Act, reports on nursing home inspections to the public.

—Implementation of new regulations allowing the Department of Public Health to move more rapidly to investigate abuses and suspend operating certificates when warranted.

"In addition to these provisions, we also propose a modification of the reimbursement formula to create a more equitable system for funding those services funded by the state and federal government."

"This move is designed to ensure that adequate resources are available to provide care for senior citizens and the disabled," Madigan said.

manner," Lubell said, telling Judge Cahill that Brimberry had never spent any money on himself, but on "his wife and that wacky home in Granite City."

Lubell called Brimberry a "non-violent offender," and insisted that he would not be a repeat offender. "No legitimate purpose will be served by imposing a severe sentence," he said.

"PLEASE DON'T banish him to institutionalized humiliation. I ask you to give him a ray of hope that he will someday complete his sentence, and not to impose what would dash all hope," he concluded.

Kane argued that Brimberry had not shown contrition for his crimes, saying, "He has shown contempt for our judicial system by obstructing justice, and by continuing to steal from Six after the plea agreement when he concealed assets from the trustee."

Kane also cited \$2.7 million of stolen money still said to be unaccounted for, and Lubell responded by telling Judge Cahill that neither

he nor Attorney Larry Fleming had been paid for their services. "The man doesn't have a quarter," Lubell stated.

GOVERNMENT attorney Adelman angrily dismissed such a contention, saying, "We only have Mr. Brimberry's word for that and Mr. Brimberry's word is worth nothing."

Fleming told the judge that Brimberry has never been charged with the fraud, and asked that the scheme not be considered in the imposition of the sentence.

"I'm wondering how many items this is going to be taken into consideration," he said. Judge Beatty told Brimberry last June that the amount of money stolen from Six had to be taken into consideration when he imposed the maximum sentence for two counts of obstructing justice.

JUDGE CAHILL praised Brimberry's wife, Janice, for supporting her husband during the trial. "Mr. Brimberry has been blessed

with a faithful and loyal wife," he said.

"She has been willing to put up with certain indignities" as Brimberry "lashed out at her, probably without justification."

Mrs. Brimberry, who acted as a paralegal for Brimberry's attorneys during the trial in April, has testified that she helped Brimberry forge stock certificates in the scheme.

Judge Cahill commented that Brimberry had "led an exemplary life" before the fraud, and called him "a kind and generous man—generous to a fault—a man who shared his ill-begotten gains with others."

CAHILL ALSO TOLD Brimberry, who is diabetic and takes daily injections of insulin, that he would be sent to an institution where he would receive proper medical attention.

This April, he was convicted of lying to the grand jury and concealing assets from the Six federal trustee after Brimberry had entered into a plea agreement with the government.

Opposition to tests

(Continued from Page 1)

quality. "Such a ban would be a barrier to the future economic vitality of this region," he testified.

"Sanctions should not be imposed this summer even if state legislation fails. Illinois should be permitted to use its own measures to reduce pollution as long as the state complies with Clean Air Act provisions by 1987."

"CONSTRUCTION of new sources of ozone precursors, principally volatile organic compounds, would be banned by the U.S.

"Industries would be unable to obtain permits for new facilities that would emit these compounds, and this would prevent them from replacing old facilities that are less efficient and more polluting. Thus, a sanction would be counter-productive."

East-West Gateway went on record last week as opposing threats of federal economic sanctions against Illinois because of air pollution.

VOTING UNANIMOUSLY, the Gateway Council opposed sanctions and the demand for auto testing.

The vote followed a report by Carol Lutz of the Illinois EPA that not only \$100 million in highway funds might be lost, but

also that up to 60 percent of the state's allocation for pollution control could be cut.

Gateway said the federal action is arbitrary and that, if such steps are needed, they should be applied nationwide.

BI-STATE Agency Chairman Richard Baalmann said local emission tests would have little environmental impact due to the high number of commuters in this metropolitan area.

He said cars already are required to have pollution control devices, and asserted that mandated testing in scattered Illinois areas would have little effect, since pollutants are airborne and travel far from the point of origin.

Meanwhile, the Illinois Senate has scheduled a Transportation Committee hearing on the issue at 9 a.m. Thursday, June 7, in Room 400 at the Capitol. Senate Bill 1863 and House Bill 3151 relate to car testing.

Bruce Armstrong of Granite City submitted a statement to the committee last week, saying the state should not require car tests at this time. He said the U.S. EPA "can only withhold, and only for a limited time, between eight percent and 20 percent of the money due."

Free ID cards offered Tuesday

The Venice Lions and Lioness clubs will host a representative of the Illinois secretary of state's office who will be issuing free identification cards to senior citizens tomorrow.

Persons age 65 and older can obtain free ID cards from 9 to 11 a.m. Tuesday at the Venice Recreation Center on Broadway in Venice. There will be a \$4 charge for IDs for persons younger than 65.

Anyone wishing an ID card must bring two forms of identification, such as a birth certificate, driver's license, Social Security card or other identification.

The event is open to anyone in the Quad-City area.

Washington Park man charged here

Charges of property damage and battery were filed last week against Roland D. Farley, 20, Washington Park, who was released on \$204 bail. Mark C. Mainridge of Madison told police he was northbound on Madison Avenue when a vehicle pulled alongside and a passenger got out as both cars halted at the spotlight on 20th Street.

The man, later identified as Farley, allegedly challenged Mainridge and his passenger, Anthony J. Evanoff, 5125 Sheila Drive, to a fight and then struck Evanoff in the right eye.

It was contended Farley also smashed the windshield of Mainridge's auto, using a reinforcing rod.

DeMolay International Supreme Council honors twelve

The International Supreme Council, Order of DeMolay, at its annual session in May at Sarasota, Fla., designated individuals to receive the active and honorary Legion of Honor, Degree of Chevalier, the Advisor's Cross of Honor, and Honorary Member status on the International Supreme Council.

Accorded the singular honor of Active Legion of Honor recipients from James Stuart Chapter were: Randall A. Irwin and Alexander Tarpo. Conferred with the Honorary Legion of Honor from the Order of DeMolay were: Orville E. Hommert and Carl D. Peters.

All were invested with their honors by the Egyptian Preceptor Legion of Honor on Sunday afternoon except Randall A. Irwin who will be invested at a later date. Also invested with the Active Legion of Honor was James H. Stuart, a 1983 designate. Serving as commander in the East for the conferral at Scottish Rite Cathedral, Bellevue was H. L. O. H. Gene Ross, Most Worshipful Grand Master of the Grand Lodge of A.F.A.M. of Illinois. Also on the investiture team were: L. O. H. Ralph W. Baker, commander in the south; H. L. O. H. Donald G. Adams, grand chaplain; L. O. H. Roy L. Wilmetz, grand fifth preceptor; H. L. O. H. C. A. "Jack" Dempsey, grand sixth preceptor; H. L. O. H. Kelly Hogan, grand seventh preceptor.

Randall A. Irwin became a DeMolay in 1960, is a member of Triple Lodge 835 Scottish Rite Bodies, Alnash Shrine Temple, New Hope Chapter 42, O.E.S., Elks and Moose Lodges. He owns and operates Irwin Chapel for Funerals. He attended local schools, Southern Illinois University at Carbondale, and is a graduate of Indiana College of Mortuary Science. Irwin is a past vice president of Granite City Optimist Club, past president and treasurer of Granite City Lions Club, past president and present board member of Hospice of Madison County, a member and deacon of Central Christian Church. He is on the Board of Directors of American Cancer Society, Lewis and Clark Lung Association, Salvation Army, Old Six Mile Historical Society, Association for Protection of Animals, First Granite City Savings and Loan Association. Irwin has served as vice president and president of Madison County Funeral Directors Association and on the staff of the Illinois Funeral Directors Association and has Professional Certification Award for three consecutive years by F.I.D.A. A deputy coroner, he also is a Certified Eye Enucleator and works with the St. Louis Eye Bank.

James H. Stuart of Columbia, Ill., is athletic director for Columbia High School, coaches baseball and basketball and is on their teaching staff. He became a DeMolay in 1951 and attended Granite City Public Schools, received a Bachelor of Education from Missouri Valley Marshall, Mo., and a Masters in Education from Northeast State University, Kirksville, Mo. He is a son of Mrs. Verna Stuart and the late James Stuart. His father was the chapter advisor of Granite City Chapter, changed in 1969 to James Stuart Chapter in his honor for years of service to the youth of the Quad-City area.

Alexander Tarpo became a DeMolay in 1941, is a member of Granite City Lodge 877 A.F.A.M. He is a son of the late Mr. and Mrs. John Tarpo. He attended the local schools and is a graduate of University of Illinois with a Bachelor of Science degree. He is president of Tarpo Packing Co., is active in the Boy Scouts, he has been a Cub Scout Webelos, an assistant scoutmaster, troop committee member and is a member of the Order of the Arrow. He is a member of and has served Sts. Cyril and Method Eastern Orthodox Church as chairman of the building committee and of the Board of Trustees. He also has been active in the St. Louis Area Meat Packers Association.

The Active Legion of Honor, the highest degree and honor conferred by the Supreme Council, may be conferred on a senior DeMolay, over 30 years of age, for outstanding leadership in some field of endeavor or for success in fraternal life including adult service to DeMolay.

Maria Quante enrolls at Lutheran Medical

Maria Theresa Quante, daughter of Mr. and Mrs. Horst Quante, 3704 Fair Oaks Drive, has been accepted at the Lutheran Medical Center of Nursing in St. Louis, where she will enter nurse's training this fall.

Miss Quante graduated May 25 from Metro-East Lutheran High School, ranking sixth in a class of 21 seniors.

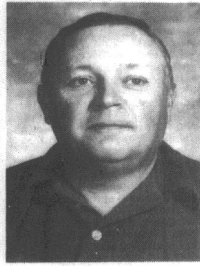

She was active in the school's athletic programs for three years, playing softball and basketball. She also was a member of the school choir while a junior and senior student.

LOOT WORTH \$760 TAKEN

A burglar pried off sheetmetal and entered the Scrogge and Marley Tatoo Place, 939 1/2 Niedringhaus Ave., last week. A total of \$760 in equipment and other items was stolen, including a book knife worth \$65, seven pocket knives valued at \$20 each, 12 pounds of colored ink, tools for tattooing, weight machines, power units, a large rug and hand-drawn designs.

Registration this week for GC park programs

Registration for all Granite City Park District recreation programs will take place at the Wilson Park ice rink on Tuesday, June 5, Wednesday, June 6 and Thursday, June 7 from 9:30 a.m. to noon and 12:30 p.m. to 3:30 p.m. each day. A session also will be held Wednesday evening from 6:30 to 8:30.

ENTER DISTRICT MAINTENANCE GARAGE

Locks were pried off tool cabinet-chests and lockers by burglars and three vans, two pickups, a dump truck and another truck were entered in the Granite City School District's maintenance garage at 20th and Adams streets, it was reported last week.

The intruders also kicked open a door, breaking the locking mechanism, at the audio-visual vocational activities building directly across from the garage area. All rooms in that facility also were entered, it was reported by district officials.

An inventory was being compiled to determine what items were missing.

All fees must be paid at the time of registration and proof of residency, such as a Park District ID card, utility bill or a recent driver's license must be shown. No refunds will be made after the programs begin, it was announced.

The programs for which people may register are: gymnastics and tumbling, baton, ponytail softball, baseball school and tennis. Specific class times will be assigned at the time of registration.

Instructors for the various programs will be on hand to answer any questions, park officials said.

THREE WARRANTS SERVED

Acting on warrants Thursday, Granite City police booked Lavon Armor, 17, of 2232 Washington Ave. for petty theft, Lori E. Davis, 20, also of 2232 Washington, for no valid auto registration and James D. Wilkinson, 18, of 2155 Waterman Ave. for speeding. They posted bail of \$102, \$52 and \$52, respectively.

Three Konzens graduate from college

A child's graduation from college is the hope of many parents, and this year Mr. and Mrs. Leo Konz, 302 Princeton Drive, will see their dream realized again, and again, and again.

In 1984, all three of their sons will have graduated from college.

Kevin Konz, 26, a 1976 graduate of Granite City High School, graduated from the University of Illinois College of Medicine at Chicago and was the recipient of the William J. Grove Outstanding Student Award. In 1980, Kevin graduated cum laude from the University of Notre Dame with a preprofessional bachelor of science degree. A member of Alpha Omega Alpha, a honorary scholastic medical society, Kevin will begin his residency at Barnes Hospital.

BURGLARIZE SUPPLY FIRM

Several areas inside Siderer Supply Co., 1101 Nineteenth St., were searched by intruders who removed a pane from a door in the maintenance building last week. Initially determined to be missing were three alarm clocks worth \$15.

South High School, Brian Konz, 24, graduated from St. Louis University with a juris doctorate degree in law and was the recipient of the Kneip Award for appellate advocacy after winning the SLU annual Moot Court Competition. While attending SLU, he wrote an article on prisoners' constitutional rights, which will be published in the SLU "Public Law Forum" later this summer. Brian graduated from the University of Notre Dame in 1981 with a bachelor of arts degree from the Program of Liberal Studies. During his sophomore year, he studied abroad in Maynooth, Ireland.

Michael Konz, 22, a 1980 graduate of Granite City South High School, graduated from the University of Miami in Oxford, Ohio, with a bachelor of environmental design and was the recipient of the Rudolph Frankel Memorial Award for excellence in urban design and planning. Michael plans to study the architecture of Europe for six weeks this summer. Afterwards, he will enter the master's degree program in architecture at Washington University.

THREE KONZENS who graduated from college this year are Kevin, Brian and Michael, sons of Mr. and Mrs. Leo Konz of Granite City.

Black elected officials invited to meet June 9

president of the Venice Park Board, is organizing the gathering "in an effort to bring black leaders closer together."

"We'd like to unite all factions to better serve the needs of the people. The meeting will consist of a general discussion of ongoing issues and problems which may be coming up," he said.

"I believe that in Madison County blacks are left out of many things and that, if we are united, we can be more effective than dividing our vote on various issues."

There are 22 black elected officials in the local area, he related, including those serving in city governments and on school boards in Madison and Venice and in Venice Township.

"If things work out and enough officials are interested, we may try to make it into a permanent group and elect officers," Rev. Williams said.

"Saturday's session will be mainly an organizational meeting. The minister said the group eventually might be expanded to encompass black officials from all areas of Madison County."

2 PERSONS HURT ON NAMEOKI AT MANLEY
Russell E. Jenkins, 25, of 114 Wilson Park Lane, and a passenger in his auto, Carol S. Jenkins, 23, of the same address, sustained minor injuries at 4:45 p.m. Friday when their auto was struck from the rear by another vehicle whose driver left the scene.

Both vehicles were southbound on Nameoki Road near the Manley Avenue entrance to Crossroads Plaza Shopping Center when the mishap occurred. The second vehicle involved was reported to be a green Chevrolet station wagon.

Novotny Chevrolet agency is established

Jack Mathews Chevrolet, Niedringhaus and Madison avenues, has been purchased by Mathews sales manager, John Novotny of St. Louis. Mathews sold the business due to his retirement.

Novotny, an employee at the Chevrolet dealer for the past five years, says the purchase is the fulfillment of a dream. "Having my own dealership is something I've always wanted to do," he said.

Novotny said he plans to do some renovation to the inside and the outside of the buildings, along with changing the name of the dealership to John Novotny Chevrolet. "We'll be having our grand opening here the first part of July," he said. "We're looking forward to serving the Madison County area to the best of our ability. We're welcoming everyone to stop by and see us."

Novotny said that before coming to Jack Mathews Chevrolet, he worked for Mathews' St. Louis car dealership for five years and for 18 years at another St. Louis area dealership previous to that.

According to Novotny, the Granite City dealership stocks 100 new cars and 35 to 40 used cars. The dealership also offers a service department.

Novotny and his wife, Mary, have two daughters, Theresa, 18, and Tammy, 16.

Dental degrees to Dombek and Turner

Fifty-four students at the Southern Illinois University School of Dental Medicine received the doctor of dental medicine degree at commencement exercises Saturday at the University Center in Edwardsville.

Included were Granite Cityans David J. Dombek and Kim D. Turner. The school also awarded certificates to four post-doctoral students completing the one-year general practice residency program.

The class is the ninth to graduate from the SIU School of Dental Medicine since the school opened in 1972.

Dr. John L. Bomba of Philadelphia, president-elect of the American Dental Association, delivered the commencement address.

In addition to university administrators and members of the dental school faculty, platform guests included Dr. William Sisson of Oak Park, president of the Illinois State Dental Society; Dr. Leonard Giannone of Springfield, immediate past president of the Society, and four district representatives of the Society: executive council, Dr. Clifford A. Brown of Peoria, Dr. Scott Hendrickson of Granite City, Dr. Howard Stone of Decatur and Dr. Adalbert Vlazny of St. Louis.

DAMAGE TRACTOR NEAR JOHNSON SCHOOL TWO

Mike Reznal reported at 8:40 a.m. Friday that vandals damaged the muffler pipe on a tractor belonging to the Knights of Columbus while the equipment was parked on the east side of the Johnson School building, 4200 Old Alton Road.

At 11:30 a.m. Saturday, a second report noted that a tire on the tractor had been flattened and an eyebolt was bent and damaged.

Progress on IP Clinton power plant is praised

The Nuclear Regulatory Commission's latest assessment of progress at the Clinton nuclear power station concludes that Illinois Power Company's performance "was found to be improved and acceptable in each functional area."

"Commitment to quality was generally evident at all levels of management and staff," said the NRC's Systematic Assessment of Licensee Performance (SALP) report issued May 23.

The SALP program is defined as an integrated NRC effort to collect available observations and data on a periodic basis and to evaluate licensee performance based on this information.

The report covers Oct. 1, 1982, to Feb. 29, 1984.

Based on a review by an 11-member SALP board, it said, "The period represents a major transition between stop-work orders initiated in certain areas during the previous assessment period and a return to general construction activities."

In transmitting the report to Illinois Power, the NRC said, "Overall, during this period, your performance was found to be acceptable in all functional areas."

"Your commitment to quality assurance has been evident at all levels. In most cases, your actions on resolution of problems have been responsive and comprehensive and oriented toward quality construction."

"We are also encouraged by improvement in the areas of quality assurance, support systems, and electrical power and distribution. The efforts of your staff during this transition period to effect this turnaround are noteworthy."

The NRC reviewed Illinois Power Company's performance at Clinton in 11 separate areas.

One area was not rated. All others were rated Category 2, based on three rating categories, with Category 1 being the highest.

Category 2 is defined: "NRC attention should be maintained at normal levels. Licensee management attention and involvement are evident and are concerned with nuclear safety; licensee resources are adequate and are reasonably effective such that satisfactory performance with respect to operational safety or construction is being achieved."

This was the fourth SALP report issued for Clinton. The third was issued on June 22, 1983.

Ex-husband hurts mother, baby found in 'dirty' dwelling

A Granite City woman met officers near her home at 10:55 p.m. Friday and alleged that her former husband had struck her face with a fist and pushed her over a table.

She reportedly was suffering intense pains in her back and was taken by ambulance to St. Elizabeth Medical Center.

A woman friend went to get the injured woman's baby from her dwelling and found the ex-husband had departed, leaving behind the 8-month-old baby girl.

An officer noted that no clothing nor diapers could be found for the child, who was wrapped in an adult sweater and taken to St. Elizabeth Medical Center.

Medical personnel examined the child and said she appeared healthy, but had a healing bruise on her forehead. They contacted the Illinois Department of Children and Family Services to care for the infant while the mother is in hospital.

The police officer reported also that the apartment where the child was found was "extremely dirty." There appeared to be no plumbing, food was on the floor and cockroaches were very prolific, he said.

Alton, Herrin Eliminated Over Weekend Maroons to face Flyers in sectional final

By CHARLIE SKAER
of the Press-Record

GRANITE CITY — The Belleville West Maroons will be battling the East St. Louis Flyers today at 1 p.m. in the championship game of the Granite City Sectional.

The sectional final is expected to be a close contest — the teams split two games earlier in the year. West took the victory in the first game, 3-2, while East St. Louis Senior won the second matchup, 8-4.

"In this late of the season, you're not going to blow anybody out," said West coach Chuck Hasenstab, whose team carries a 18-9 record. East St. Louis goes into the game at 22-11.

WEST ADVANCED TO the championship game with a 3-1 upset victory Saturday afternoon over the Alton Redbirds. East St. Louis Senior worked its way into the finals by defeating Herrin, 6-3, in opening round action Saturday morning.

West pitcher Dan Schaller viewed Saturday's victory as sweet revenge. Schaller had been the losing pitcher in two earlier contests against Alton, although he said he tried to forget the two previous performances while pitching Saturday.

"It affected me a little," admitted Schaller. "But I felt all I needed to do was go out there and pitch my best."

INDEED, SCHALLER DID just that. He held Alton to just five hits and walked only two.

The game's outcome was especially painful for Alton pitcher, Tony O'Connor, who was tagged for 10 hits. The Alton hurling ace had pitched both winning games over West during the regular season, earning 1-0 and 4-0 victories.

"What can you say?" asked a dejected O'Connor after the game. "I guess it's tough to beat a team three times in a row, especially against these guys. They're a good team." O'Connor finished his senior season at 9-2, helping Alton to a 16-7 record.

BOTH PITCHERS CAME out strong, keeping the game scoreless for the first three innings. Belleville center fielder Joe Houk sent home the game's first run in the fourth when he smacked a triple to right, scaring shortstop Andy Smith who led off the inning with a single.

Alton shortstop Jim Dunham used some dazzling defense to spoil West's chances for more runs in the inning. Dunham fielded a grounder by first baseman Glen Mark for the first out, lunged at a line-drive to his right to rob left fielder Bill Haynes of a hit and nailed catcher Bruce Badgely at first after scooping up a deep grounder and firing a bullet throw to first.

With a man on first in the bottom of the fourth, West used a hit-and-run play to tie the game at 1-1. Dunham scored the run on a double off the bat of Alton first baseman Alan Flota.

BUT THE MAROONS reclaimed the lead in the fifth with a run by Jim Stubblefield. The Belleville right fielder led off the inning with a double to left and advanced to third on a wild throw by outfielder Dan Freeman. Belleville designated hitter Dale Siemsenberger then launched a sacrifice fly to drive in Stubblefield for what proved to be the winning run.

West added a security run in the top of the seventh to complete the 3-1 scoring.

In the Saturday morning game, East St. Louis Senior took control with three runs in both the second and fourth innings for their 6-3 victory.

The Flyers, who had advanced to the sectional after beating Granite City for the regional championship, outhit the Herrin Tigers 12-6.

Flyers' winning pitcher Bobby Deloach struck out four Herrin batters and gave up four walks in his winning effort, improving his season record to 7-3.

SECTIONAL STEAL. Herrin's Steven O'Connor watches closely as East St. Louis player Derrick Moore prepares to slide into second during Saturday's opening game of the Granite City Sectional. Moore successfully stole second as the throw from Herrin catcher Jeff White was late. East St. Louis won the game, 6-3, and will face Belleville West today at 1 p.m. for the championship. In American Legion Action Granite City takes 3-1 loss in season opener

By CHARLIE SKAER
of the Press-Record

MITCHELL — The American Legion senior league game Sunday afternoon between Granite City and Smithton proved to be the battle of the 13's.

Granite City's number 13 — right-handed hurler Danny Whitsell — squared off against Smithton's left-handed pitcher Dan Nettemyer, who also sports the number 13 on his jersey.

And although both hurlers turned in solid performances in the league's season opener, Nettemyer came out on top with a 3-1 victory.

"I usually have trouble with my control," said Nettemyer, who finished his freshman year at McKendree College in Lebanon. "But today it was there. I felt pretty good."

NETTEMYER, WHO turned in a 6-1 season in 1983 during his senior year at Mascoutah High School, said he didn't see much action at McKendree. Nettemyer laughed as he admitted his record was 0-0, although he later added that he pitched about 20 innings and recorded two saves.

In Sunday's contest, Nettemyer looked strong as he went the full distance for his ballclub. He struck out 11 batters, holding Granite City to just five hits and walking only four. His pickoff move to first was especially successful, as it caught three Granite City base runners.

GRANITE CITY coach Dave Coakley praised the performance of both

Nettemyer and Whitsell, saying the tough pitching played a big factor in the lack of hits for both sides. Whitsell held Smithton to just two hits and one unearned run before being replaced in the top of the sixth by Granite City junior Alan Zentgraf.

"Danny (Whitsell) looked real good," said Coakley, making his debut as Granite City's coach. "I just pulled him to get a look at Alan. I knew I would be pitching Alan on Thursday and I wanted to see him pitch before then."

ZENTGRAF WENT IN to the game with a bad start. Smithton's Chris Von Der Linden hit a high pop fly that Granite City second baseman Randy Thurman maneuvered under. But Thurman, battling with the harsh sun, lost sight of the ball and it dropped for a single. Outfielder Scott Fritz took advantage of Thurman's misfortune and ripped a double to left, driving in Von Der Linden to put the score at 2-0.

Smithton first baseman Tom Forsythe followed with a line shot past Thurman to send Fritz home, making the score 3-0.

Zentgraf had an easier inning in the seventh. He sent the lineup down in order, including two strikeouts. Granite City attempted a comeback in the bottom of the seventh. Center fielder Terry Rujavitz led off with a walk and shortstop Pat Cathy followed with a triple to deep left, putting the score at 3-1.

However, Nettemyer pitched out of the jam — striking out Jim

Moulden, forcing a pop out from Steve Davis and getting a game-ending ground out from Tim Gray.

Granite City's other scoring opportunity came in the fifth inning. Cathy led off with a triple and Moulden got to first on walk. But Nettemyer showed his power, striking out Whitsell and Steve Davis.

"THOSE STRIKEOUTS really hurt us," said coach Coakley. "Whitsell hasn't seen to much batting lately,

but Davis is a good hitter. He usually doesn't strike out."

With Doug Druhe at bat, Coakley signaled for Cathy to steal second. The move proved fatal, as Smithton catcher Charlie Jarvis gunned Cathy down to end the inning.

"I figured if we could move him to second, we could get him home on a hit," said Coakley. "You've got to gamble some."

"Doug is a generally good with his

bat. He played for me in junior league."

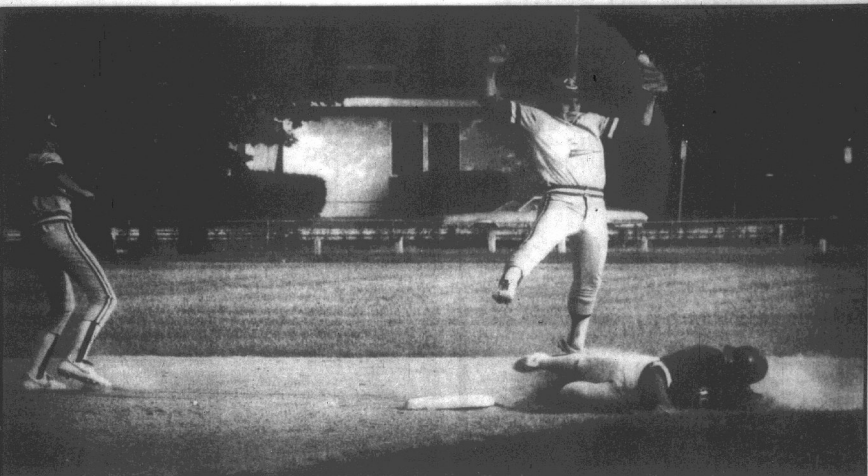

Druhe exited the game after being injured in the sixth. The left fielder pulled his shoulder out of socket while batting.

Granite City will be taking on Collinsville at 6 p.m. Thursday. The game, originally scheduled for today at Granite City, has been moved to Fletcher Field in Collinsville.

Mitchell uses depth in 15-8 win

By PAULA WISE
of the Press-Record

GRANITE CITY — The Mitchell Athletic Club Jr. American Legion baseball team started their season off on the right foot Saturday with a 15-8 win over Granite City.

Mitchell jumped to an early lead as they scored three runs in the first inning on just two hits.

The first two batters for Mitchell walked as Granite City's starting pitcher, Todd Hinterser, struggled with his control.

Steve Davis landed the big blow for Mitchell in the first as he cleared the bases with his home run to left field scoring three runs. Bill Moore followed Davis with a hit to almost the same spot, but was thrown out at the plate to end the inning.

Granite City retaliated in their half of the first with a home run off

the bat of Hinterser. They added two more hits in the inning but were unable to put any more runs across.

In the second inning, Granite City took advantage of Mitchell's errors to take the lead 4-3. Tim Hogan had the only hit in the inning, but six Mitchell errors allowed Granite City to score three runs.

The score remained the same until the fifth inning when Mitchell broke the game open by scoring ten runs to take the lead 13-4. Mitchell capitalized on seven hits including a two run home run from Randy Burgess and a three run triple from Greg Nemeth.

"That's the way they should hit all the time," said Mitchell Athletic Club Coach Mike Carner. "We've got a good hitting ball club, when they're patient."

"I think they may have taken this team a little too lightly, but they

found out that they were good ball team right off the bat," added Carner.

The reason for Mitchell's optimism may have been the difference in age of the players. While the Granite City team is made up solely of high school freshmen, the Mitchell team's players average almost two years older.

"I think they were looking to walk on us pretty good," said Granite City's coach Paul Kacera. "They've got some older boys and that makes a difference."

"Except for three players, these boys all played freshman baseball this year."

Granite City refused to go down without a fight as they battled back for four runs in the bottom of the fifth to keep the game close.

Jamie Hogan led the Granite City

team on their road back with a run scoring double to left. Darrin Hendrickson delivered the other key blow for Granite City with a single that scored two.

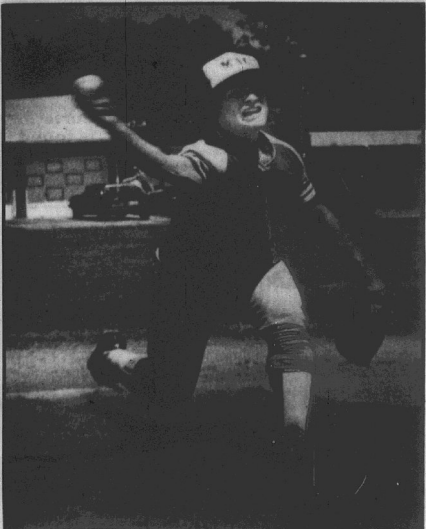

Mitchell was able to add runs in the sixth and seventh while holding Granite City scoreless.

One problem which plagued both teams was pitching. Mitchell used three different hurlers to secure their victory causing Coach Carner to feel there was a definite need for improvement.

"The pitchers had some problems tonight. They seem to be having trouble with their mechanics," said Carner.

"I guess they did fairly well for their first game though. It's the first

New Basketball Coach Replaces Graham Watson to keep Madison tradition strong

By CHARLIE SKAER
of the Press-Record

It's clear that Rodney Watson, newly-hired coach of Madison basketball Trojans, has some familiarity to do.

In an interview intended to get information from Watson, the 23-year-old replacement for coaching veteran Larry Graham posed his own questions.

"Do you know of any places to live in the area?" asked Watson. "How far is Collinsville from Granite City?" is sent pretty reasonable.

"Do you by any chance know the phone number to SIU?" he later asked, explaining that he would like to take a few math classes. "Is summer school a pretty good program? Do you have any idea what tuition cost is?"

BUT THERE'S ONE thing that Watson doesn't need to learn about — the Madison basketball tradition.

"I knew of Madison long before I was in the coaching profession," said Watson. "I had always known since I was growing up that when you talk about Madison, you're talking about powerful basketball."

Watson was raised in Paris, Ill., located on the state's eastern border about 25 miles from Evansville, Ind. His boyhood impression about Madison strengthened as he moved on to Charleston for his undergraduate work at Eastern Illinois University and four years

later went to Coulterville High School in southern Illinois for his first coaching job.

"I'VE BEEN in central Illinois, eastern Illinois and southern Illinois. And in all of those areas, Madison is very much respected for its basketball. People that appreciate basketball know who the real powerhouses are."

Such respect for the Madison basketball program was a main reason Watson sought the job left open by Graham, who in March became the head basketball coach at Southern Illinois University at Edwardsville.

"It was a dream for me to get into a basketball situation where there's a great tradition like at Madison," Watson said. "That's why I got into coaching in the first place. I always wanted to coach at some place where every year they have a possibility of going to the Assembly Hall (in Champaign)."

Graham, who headed Madison for 15 years, accumulated a 324-99 record and took his team to the Assembly Hall four times. In 1977 and 1981, he returned home to Madison with state championships.

FOR WATSON, who has been out of college for just two years, the opportunity to coach such a successful program came quickly.

"I'm fortunate in that it happened to come sooner than later," he said.

"But I think it's a lot easier for me to move to Madison when I'm single and can put in the hours than maybe 10 years from now when I've got a family and may not be quite as flexible."

Watson said he decided to apply for the opening when Graham contacted him at the end of the season to talk about recruiting Coulterville's 6-foot-8 center, Randy Knope.

"One thing led to another," Watson said. "Larry said it would be a good idea to apply for the job. I did and everything worked out."

PERHAPS IT'S ONLY appropriate that Watson has found himself as the head of a successful program at such an early age. Coaching caught his interest while in the eighth grade.

"I loved to play playground ball and I guess maybe I was kind of a leader," said Watson. "Coaching is something I was fascinated by and it looked to me to be like a lot of fun. It's something I never lost interest in and as I went through school I continued to enjoy the field."

Watson was co-captain of his high school basketball team, the Paris Tigers, finishing his senior year with a 13-12 season. He also participated in cross country and baseball.

In college he was formally introduced to coaching, working as a program assistant for Eastern's basketball team and a coaching assistant at Olney High School during his student teaching in 1982. He

said he gained valuable insight from Eastern head coach Rick Samuels and Olney coach Ron Herrin. Watson also had the chance to learn from Larry Graham, who was an instructor at a summer basketball camp at Eastern.

NOW AS GRAHAM'S replacement at Madison, Watson obviously is under pressure to do well from the start. However, the young coach pointed out the bright side.

"I have all kinds of admiration for Larry Graham. He did a great job. But one thing I'm very thankful for is that he didn't leave the wet dry when he left."

Madison has three starters coming back from this year's 26-3 team. Rodney Brooks, DeLloyd Williams and James Bennett. Watson wasn't blessed with such success when he took over the Coulterville basketball program in 1982. The prior season the Eagles had turned in a lowly 2-23 record.

Teaching his players the importance of man-to-man defense, Watson turned in a 13-9 record in 1983. This year his team improved to 23-6, winning the Pickneyville Regional and the opening round of the Sparia Sectional. The Eagles were eliminated from playoff action by then-undefeated Mater Dei.

"YOU'VE GOT TO place an emphasis on defense," said Watson. "That's what I believe made Madison so successful, especially in

the last 10 years. They've beaten a lot of teams on the defensive end."

"My first year at Coulterville, there was not one situation where we played a zone except for a zone press," Watson explained. "In my second year we were more flexible and we mixed things up, but in the first year I felt we had to learn how to play defense."

"At Madison I expect these kids to know how to play defense. We'll be able to have variations from the beginning."

Watson said he has no definite plans yet for Madison, saying his players will dictate his style. But he said his goals for Madison are clear.

"I want to play state-caliber basketball. I want to keep the Madison tradition strong. I think we will with the great talent we've got."

GUIDING WATSON WILL be his three-fold coaching philosophy.

"Success is a product of hard work," he said. "For any coach to be successful, he has to put a lot of time in. As a result, good things are bound to happen."

"Secondly, I feel as a coach that I'm primarily a teacher and a role model. I want to teach the game and teach the other aspects of life that go along with the game, too."

"Finally, in my philosophy, it's so important that we're well-conditioned both physically and mentally."

Off the court, Watson said he likes

to play "poor golf."

"That means I'm terrible and yet I still play," he said, laughing out of embarrassment. "I don't know if I'd like golf if I played well — I've never done it."

WATSON, WHO WILL turn 24 in July, looks at his youth as an advantage.

"I know the growing pains because I'm still having a few myself," he said honestly. "There is a gap between our ages, but I'm still young enough to realize some of the personal problems they're having, some of their basic needs. As long as they realize I look at them as athletes when we're on the basketball floor and people off the floor, we'll have a great relationship."

Watson will also have a great relationship with Madison's administration if he keeps the wins coming. He said he knows from his interviews with the Madison Board of Education that they were looking for a commitment.

"I think any board is going to want somebody who is going to stay for a while," he said. "I, too, would like to establish myself and become successful here at Madison."

Watson won't have to wait long in order to prove himself. The Trojans are tentatively scheduled to open their season against the Granite City Warriors.

"By the way," Watson asked, "how good is Granite City?"

Teacher recalls Madison's first

By AL BARNES
of the Press-Record

Mrs. Sophia Mezger, a retired Madison grade school teacher, has touched the lives of literally thousands of area children. She has hundreds of fond memories of her teaching career. But one memory she holds took place before her teaching career began in 1922 — the memory of the first Madison High School basketball

season held in the 1914-15 school year.

"THEY DID all their traveling to out of town games by train," Mrs. Mezger recalled. "Making the arrangements was Madison's Superintendent of Schools, Leroy Baer, who came to this area from Switzerland."

Mrs. Mezger explained that trains were the primary form of transportation.

"We had very few cars," she said. "What roads we had weren't paved and were unusable during the basketball season."

What made that team especially attractive to her was one of the players, a dashing guard, Leroy Runkel, whom she married in 1915. The couple had two daughters, Naomi Randall and Margaret Musik, before her husband died in 1922.

IT WAS THEN that Mrs. Mezger decided to become a teacher. At the time, young men and women could obtain a teacher's certificate after graduating from high school. But teachers were expected to continue their education, so she took classes

at Harris Teacher College in St. Louis. Through the years she took extra classes at Southern Illinois University, Shurtleff, McKendree and St. Louis University.

Born in Venice in 1898, Mrs. Mezger vividly recalls the devastating 1903 flood. She laughs now how her father came to the United States from the old country and fought two years in the Civil War on the side of the North, during which time he was qualifying for his American citizenship.

A bright and cheery 86 years old, Mrs. Mezger also treasures her fond memories of the first Madison High basketball team — the club that started Madison's basketball tradition.

Fathers' Day gift: state salmon print

SPRINGFIELD—Avid anglers, might well appreciate a limited edition print of the brook trout painting featured on the 1984 Illinois Salmon Stamp as a special Father's Day Gift this June 17. This is a "First State Issue."

Copies of the 500-issue, limited edition reproduction are still available through the DCC. The painting depicts five brook trout feeding on shiners in the Lake Michigan depths. The artist is Chuck Mitchell, a 42-year-old commercial illustrator who now specializes in wildlife art.

The color print is reproduced as an 8x10-inch image on a 14x16-inch background. Each numbered print, with accompanying 1984 Illinois Salmon Stamp, may be purchased for \$105. This includes shipping cost. Remarques are available directly from the artist.

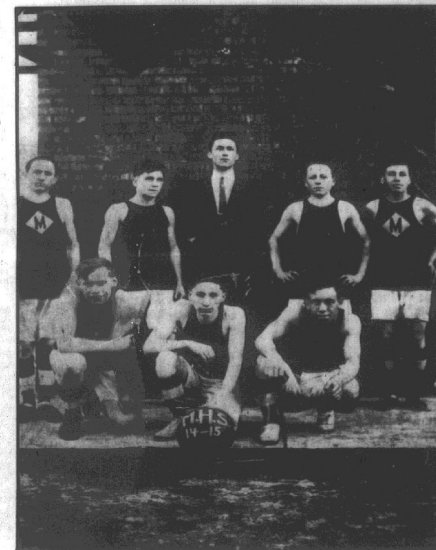

Print orders, accompanied by a check or money order made payable to the Department of Conservation, should be mailed to: Department of Conservation, Salmon Stamp Print, 524 South Second St., Springfield, IL

62706. The money raised goes into the Salmon Fund to help the Illinois salmonid fishery.

Mitchell's painting was selected during competition held at Chicago's Shedd Aquarium. The winning artist previously won the Wisconsin salmon and trout stamp competition. His illustrations have been reproduced in many major publications including: Outdoor Life, Sports Afield and Wisconsin Sportsman.

Interest in the salmon stamp art competition is growing rapidly, according to contest coordinator Tom Hecht. Several weeks ago the competition to select the painting for the 1985 stamp attracted a record 251 entries from 44 states. This was up from the year before when 48 paintings from 11 states were entered.

The winner of the 1985 stamp contest was Wilhelm J. Goebel of Somerset, New Jersey, a 23-year-old professional wildlife artist. The painting shows a brown trout preparing to strike a lure being trolled across a stretch of rocky Lake Michigan shallows.

In back, from left, are Leroy Runkel, Jim Clark, coach Earl Harrison (from Collinsville), John Daohar and Carlos Shumway.

Terri Johnson to be given bowling trophy

Terri Johnson, daughter of George and Sue Johnson of Granite City, will be awarded a first-place trophy at Bowland Lanes tonight for her top performance in the 8-year-old division of the YABA state bowling finals.

Terri bowled a 197 in the state

tournament held this spring at Bloomington. The score was the highest in her age bracket. Terri is a third grade student at Niedringhaus School and presently bowls in a Monday night youth-adult league.

Drop To 0-4 On Season

Chiefs lose two to Royals in Inter-City league

By PAULA WISE
of the Press-Record

GRANITE CITY — The Granite City Chiefs baseball team dropped their third and fourth games in a row in Inter-City baseball action Sunday against the hard hitting Royals of East Alton.

Two five-run innings by the Royals in the first game helped them to secure a 14-4 victory. In the second game the Royals spread out their offense, scoring in every inning except the third to defeat the Chiefs, 20-7.

Granite City Coach Dennis Gerkin felt his team's main problem was a lack of games and practice.

"We played very poorly. We haven't gotten to play for two weeks

and you could sure tell it today," said Gerkin.

"People were making errors on balls hit right at them who normally don't do things like that," Gerkin added.

Despite the Chiefs' 0-4 start, Coach Gerkin is optimistic about his team. "I think we'll be okay," said Gerkin. "We hit the ball hard today but right at them. We also signed a couple of new pitchers, Doug Raines and Kenny Crawford. I think they can really help us."

Pitching was a definite problem for the Chiefs in Sunday's ball games as they went through seven pitchers in the two games.

Starting pitcher, Rich Takmajian,

went only one-third of an inning for the Chiefs in the first game before he was forced to leave the mound with a sore arm.

Tom Newton got the loss in the first game as he went four and two-thirds innings in relief giving up nine runs. Kent Allen and Daryl Elmore also pitched in the first game for the Chiefs.

Evans got the loss in the second game as he pitched three innings giving up nine of the Royals twenty runs. Dominic Griffin and Brian Levin relieved Evans.

One bright spot for the Chiefs in the first game was the hitting of Takmajian. Although he was forced to leave the mound early, Takma-

jian remained in the game as the designated hitter. He contributed to his team's effort with three hits including a two run homer in the bottom of the third. Excluding Takmajian's home run the rest of the Chiefs' hits were all singles.

In the second game Dalton picked up the hitting for the Chiefs as he went three-for-three with a walk and a run scored. Allen also contributed as he came through with two singles, a walk, and a run scored.

In the second game, the Royals jumped to an early 6-0 lead after just one inning. Barry Bodenbach did most of the damage with a two-run triple to left.

After that it was all down hill for

the Chiefs. The Royals continued to add up runs while the Granite City bats remained silent.

The Chiefs will travel to O'Fallon next Sunday in search of their first victory. The game is scheduled for 1 p.m.

Booters take 2-0 win over Alton in McGuire Cup action

ALTON — The T. C. Booters of Granite City advanced in McGuire Cup play with a 2-0 victory Thursday over Alton at Gordon Moore Park.

The Booters took the initial momentum of the game when Steve Becker scored the contest's first goal on an assist by Todd Hinterser.

Jim Parker added the team's second goal with a mid-field free kick that went over the goalie's head and into the upper corner.

WITH 57 ILLINOIS teams originally entered in McGuire Cup action, the T. C. Booters are among 16 teams remaining in the playoffs. Coach Jerry Broadwater said he hopes to guide the Granite City team to the finals, which will be held in Chicago June 16-18.

In order to make it to the finals, the Booters will have to defeat the Darian Ducks of Decatur. The game is tentatively scheduled for 1 p.m. June 9 at the Army Depot.

"It'll be a pretty close game," said Broadwater. "But we should come out on top."

THE T. C. BOOTERS, who are sponsored by the Tri-County Builders, are also coached by Fred Becker and Mary Wallace. The team defeated the Granite City Sports, 2-1, in opening round action May 19. Todd Adamski scored both goals for the Booters in that contest on free kicks from 30 and 35 yards out.

Broadwater pointed out that his players, who are competing in the 16-and-over category, often face older competition because no one on the young team is the maximum 16 years old. The team has 13 freshmen and five eighth graders, all from Granite City.

"**WE'RE ALWAYS** playing up," said Broadwater. "But our kids are very good. They're capable of making up the difference."

Broadwater said the Darian

Ducks should be good competition

June 9, explaining that the Ducks took a 3-2 victory over Alton earlier in the year in a 7-Up soccer tournament. The Ducks had to come from behind to overturn a 2-0 lead that Alton had gained.

"It'll probably be a 2-0 or 3-1 contest," Broadwater predicted.

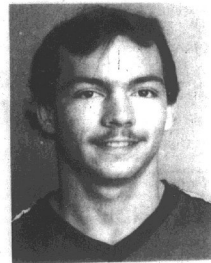

Paul Ballew to play football at Peru State

Jay Adcox, head football coach at Peru State College in Nebraska, has announced the signing of letters-of-intent by 19 high school seniors, including Paul Ballew of Granite City.

Ballew, an offensive lineman, earned All-Conference honors while at Granite City High School. The 6-foot-6, 285-pounder was awarded a special activity tuition waiver in football at Peru and plans to major in physical education.

Ballew is the son of Mr. and Mrs. Larry Ballew of Granite City.

Other area athletes who have accepted football scholarships at Peru next season are offensive lineman John Vunethich and offensive guard Greg Mixon of Cahokia Senior High School, tight end Bryan Brown of Jerseyville High School, Kenny Barksdale of Assumption High School and defensive end Chris Donaldson of East St. Louis Senior High School.

John Veizer

Veizer, Lanz to play soccer for GC Stars

Soccer coach Larry Petri has recruited two goalies to play for the Granite City Center Stars next season.

John Veizer, son of Ronald and Wilma Veizer of Granite City, has joined the Stars, along with Jeff Lanz of Springfield.

Veizer served as backup goalie for the Granite City High School Warriors this past season. He also played in the position for three years at Granite City South.

Lanz was the goalie for Springfield Southeast High School. In his senior year, was named on the All-City and All-Sectional teams, as well being chosen an All-Camp Goalie by the Mid-American Camps.

Petri said he was pleased by the recruitment of Veizer and Lanz.

"This will be the first time I've had the luxury of two goalies," said Petri. "There should be ample opportunity for them to play. But they'll have to battle it out for the starting position."

Veizer said he had an opportunity to play soccer at Sauk Valley Junior College in Dixon, Ill., but chose Granite City Center because of its location and his familiarity with other players recruited for the Stars.

"It seems like I'll get a better chance to play," said Veizer. "I won't be going to total strangers."

While at Granite City Center, Veizer plans to major in business administration. Lanz will major in science.

The Stars' 1984 season begins Sept. 8 against Lewis and Clark Community College. Granite City Center was 12-8 last year and finished second in their region in post-season play.

Null takes wins

By JOE SENTER
of the Press-Record

GRANITE CITY — Mike Null and Paul Humphrey Jr. took the big wins Saturday night at Tri-City Speedway.

Null, driving a Camaro Modified, cleaned house in that division by winning the heat race and trophy dash. He then came back to take the feature event on the 1/2-mile dirt track, beating out Marty Smith from Cahokia. Fourth place went to John Junper.

Null, from Hazelwood, Mo., started in the back of the feature

event and battled with Pruett and Smith. He passed Smith on the second turn in lap five and went on for the win.

Humphrey Jr., of Mitchell, took the sportsman's feature event after a long battle with Dave White of Granite City and Paul Humphrey Sr. of Duplo. Outstanding driving led to the win, with Humphrey Sr. coming in second and White finishing third. Joe Medlock of Kirkwood, Mo., took fourth place.

Butch Argus of Cahokia was the winner of the street stock feature with Steve Kraus of Granite City coming in second and Dave Hearty of Cahokia taking third. Argus also took the heat race.

Starting June 8, Tri-City Speedway will switch to Friday night racing. Tickets will be \$4.50 for adults and \$1.00 for children.

On Wednesday, June 27, Busch Beer sponsors late model stock cars at the Speedway, bringing cars and drivers from many states. Races will start at 8:00 p.m. with ticket prices for the special event set at \$6.00 for adults and \$2.00 for children.

Gene Baker's soccer camps to start June 11

Granite City High School soccer coach Gene Baker has slated his annual soccer camps in June this year. And, as last year, the site of the camps will be the St. Elizabeth School soccer fields.

The Warrior coach will instruct four camps during a two-week period, a boys' and girls' camp beginning June 11 and a second pair of camps the following week of June 18.

During each week the girls' camp will begin at 8 a.m. and last until 11 a.m. The boys' camp will begin at 1 and last until 4 p.m. The camps, which are open to the first 100 who register, is for persons 8 to 18 years old.

The cost of the camp is \$50 per camper and \$80 for two campers in the same family. The \$80 fee will also apply to campers who elect to attend camps both the first and second weeks.

To register for the camps, persons may call (314) 355-2374.

For team rates and information, persons should call Phil Achenbach at 931-3045.

Obituaries

Estella Brown

Miss Estella Brown, 90, a resident of Colonial Haven Nursing Home for seven years, died at the facility at 4:25 p.m. Thursday, May 31, 1984.

Born in St. Louis on May 28, 1893, Miss Brown moved to this area with her family as a small child.

She was a charter member of St. Peter Evangelical United Church of Christ.

Her only immediate survivor is one sister, Mrs. Columbia Davis of Fairfax, Va.

The Rev. James Brown conducted funeral services at 11 a.m. today, June 4, at Irwin Chapel for Funerals, 2801 Madison Ave., with burial in Sunset Hill Cemetery, Edwardsville Township.

George Foley

George Patrick Foley, 69, of Granite City, Ill. for six months, died at 3:30 p.m. Sunday, June 3, 1984, at St. Elizabeth Medical Center, where he was a patient for about three weeks.

Born in Venice, Mr. Foley was a lifelong resident of the area. He worked at the Castings Division of General Steel Industries many years and retired as a foundry worker in 1970.

Mr. Foley was a member of Calvary Baptist Church and also held membership in Venice-Madison American Legion Post 307 and Steelworkers Union 1022. He served with the U.S. Army during World War II.

He was preceded in death by his wife, Mrs. Dorothy (Mitchell) Foley, in 1978; a son, George Patrick Foley Jr., and a brother, William Foley, in 1979.

Survivors include five brothers, Edward Foley Sr., Brighton, Ill., Frank Foley, Godfrey, Ill., Fred Foley, Maryville, Ill., Thomas Foley of Granite City, and Howard Foley of Venice, two sisters, Mrs. Ila Dunscomb, Venice, and Mrs. Norman (Edna) McNelly, of Hamburg, Ill., and nieces and nephews.

Visitation will begin at noon Tuesday at Bob Thomas Memorial Mortuary, 2205 Ponton Road. The Rev. Jeff Davis will conduct funeral services at 10 a.m. Wednesday, June 6, at Calvary Baptist Church, 3000 Washington Ave., with burial in Sunset Hill Cemetery, Edwardsville Township.

Elizabeth Gazzo

Mrs. Elizabeth Gazzo, 82, formerly of Anchorage Homes and a resident of Colonial Haven Nursing Home for two years, died at 4:18 a.m. Friday, June 1, 1984, at St. Elizabeth Medical Center.

A native of Hungary, Mrs. Gazzo lived in Cleveland, Ohio, before moving to this area 58 years ago. She worked at the former Nesco Enameling and Stamping Works.

Mrs. Gazzo was a member of St. Margaret Mary Catholic Church and also held membership in Anchorage Senior Citizens.

She was preceded in death by her husband, Joseph Gazzo, in 1958 and a daughter, Margaret Goldstein, in 1979.

Survivors include one son, Elmer "Al" Sear of Santa Ana, Calif.; one sister, Mrs. Margaret Goldstein, Hills, Ohio; three grandchildren and friends and guardians, Mr. and Mrs. James (Mildred) Guyer of Granite City.

Visitation will begin at 6 p.m. today at Irwin Chapel for Funerals, 2801 Madison Ave., where the Rosary will be recited at 7 p.m. today. A 9:30 a.m. funeral mass will be conducted Tuesday at St. Margaret Mary Catholic Church, 1900 St. Clair Ave., with burial in Calvary Cemetery, Edwardsville Township.

Michael Kezele

Michael S. Kezele, 39, a lifelong resident of Madison, was pronounced dead at home at 11:35 a.m. Thursday, May 31, 1984, by Edwardsville Township.

He completed his bachelor degree in business administration at SIUC in 1955 after serving four years in the Navy.

In addition to his wife and son, he is survived by two daughters, Mrs. Jeff (Laurie) Perry of Chicago and Linda Marie Metcalf of Edwardsville, and a granddaughter in Chicago.

Besserman, Madison County deputy coroner.

He was in ill health for the past year. Mr. Kezele worked at ACF Industries in St. Louis for 19 years as a storeman clerk before retiring in 1982 because of ill health.

Survivors include his father, Joseph F. Kezele and step-mother, Mrs. Jewell Kezele of Madison; a sister, Mrs. Thomas (Mary Ann) Moslander, William Davis, St. Louis; and his maternal grandfather, Mrs. Mary Mejski of Granite City.

His mother, Mrs. Catherine (Mejski) Kezele, died Aug. 29, 1973. Visitation was at Lahey-Sedlack Funeral Home, 501 Madison Ave., Madison, The Rev. Melchior Toczak conducted a 9:30 a.m. Mass, Saturday, June 2, at St. Mary's Roman Catholic Church in Madison. Burial was in Calvary Cemetery, Edwardsville Township.

Harry Lachner

Harry F. Lachner, 77, of Marseilles, Ill., formerly of Granite City, died at his home on Sunday, June 3, 1984, at 4 a.m. after a lengthy illness.

Born in Granite City he lived here many years moving to Marseilles about 25 years ago. Mr. Lachner was manager of Illinois Power Company's hydro plant until he retired in 1972.

Mr. Lachner was a member of St. Joseph Catholic Church in Marseilles. Survivors include his wife, Mrs. Thelma Lachner; two daughters, Mrs. William (Carole Jean) Booth of Godfrey, Ill., and Mrs. James (Sue) Ann Cappellini of Marseilles; two brothers, Louis Lachner of Granite City and George Lachner of Houston, Texas; one sister, Mrs. Adella Williams of Granite City, and three grandchildren.

Visitation will begin at 4 p.m. today at Seals-Campbell Funeral Home, 1172 Washington, Marseilles, Ill. The Rev. Raymond Jacobowsky will read a 10 a.m. Mass Tuesday, June 5, at St. Joseph Catholic Church in Marseilles, with burial in Riverview Cemetery, Marseilles.

James Metcalf

James F. Metcalf, 54, budget director at Southern Illinois University at Edwardsville, died at his home, 951 Surrey Court, Edwardsville, Thursday afternoon, May 31, 1984.

A memorial service is planned at 10 a.m. Tuesday, June 5, at the SIUE Religious Center. There is no visitation. Memorials may be sent to Hospice of Madison County, 2120 Madison Ave., Granite City.

Madison County Coroner Dallas Burke said the cause of death was a gunshot wound to the head, apparently self-inflicted. A 357-caliber handgun had been fired.

Found by his son, James T. Metcalf, of Edwardsville, at 1:40 p.m., he was pronounced dead at 12:12 p.m. by a deputy coroner. There were no signs of the shooting and no note was found, Mrs. Burke said.

Mr. Metcalf had been in ill health with emphysema and back ailments. His wife, Elizabeth, was in Florida visiting her ailing father.

The budget official had last worked on Tuesday. A native of Ottawa, he joined SIU at Carbondale in 1956 as an accountant.

Mr. Metcalf became division chief auditor at SIUE in 1963 and was named director of the business services division in 1966, director of finance in 1968, and budget director and controller in 1971.

On two occasions, he was called on to serve as acting SIUE vice president for business affairs when vacancies occurred that included April 1976 to June 1977 and May 1980 to May 1981.

He completed his bachelor degree in business administration at SIUC in 1955 after serving four years in the Navy.

In addition to his wife and son, he is survived by two daughters, Mrs. Jeff (Laurie) Perry of Chicago and Linda Marie Metcalf of Edwardsville, and a granddaughter in Chicago.

Jesse Sanders

Jesse A. Sanders, 77, of Granite City, Ill. for one year, died at 6:07 a.m. Friday, June 1, 1984, at St. Elizabeth Medical Center.

Born in Eldorado, Ill., Mr. Sanders lived in this area for 67 years. He worked as a police officer for the St. Louis Police Department.

Services were held at noon Saturday, June 2, at St. Margaret Mary Catholic Church, 1900 St. Clair Ave., with burial in Sunset Hill Cemetery, Edwardsville Township.

News notes

Crime in Downstate Illinois dropped in 1983 for the third straight year but violent crimes rose in East St. Louis, Belleville and Wood River. Statewide, major crimes declined five percent and property crimes fell three percent.

Ben S. Urban, a Collinsville lawyer imprisoned for stealing \$2,000 from a Madison County through a bail scheme, is asking that his three-year term be reduced.

U.S. unemployment dropped 0.3 percent in May to 7.5 percent, the lowest since August 1981.

Continental Illinois Bank—financially troubled and seeking loan revisions enabling it to merge with an out-of-state bank—manages \$13.7 million in reserve bonds placed in trust by Southern Illinois University in 1978. Most of the money is in federal treasury bills and university officials see no cause for worry over SIU's relationship with the Chicago bank.

An "echo" of the postwar "baby boom" offspring of those born in 1946 through the early 1960s—has increased the number of Americans under age five to 17.8 million as of July 1983, up from 16 million in 1980 and the biggest for that age group since the 17.9 million tally in 1968.

Gov. James Thompson is likely to head the Illinois delegation to the Republican national convention at Dallas in August. Of the 93 Illinoisans who will help renominate Pres. Ronald Reagan—83 elected delegates and 10 at-large delegates—24 are women.

years and retired there in 1973.

He was preceded in death by his wife, Mrs. Mary (Dowla) Sanders, in August 1975 and by one son, Ralph Sanders.

Survivors include three daughters, Mrs. Evelyn McElvaine, Mrs. Ruth Poole and Mrs. James (Henrietta) Graham, and a son, Charles Sanders, all of Granite City; 23 grandchildren and 19 great-grandchildren.

There will be no visitation. His remains will be taken from Mercer Mortuary, 1416 Niedringhaus Ave., to Sunset Hill Cemetery, Edwardsville Township, for graveside services at 10 a.m. Tuesday, June 5. The Rev. W. L. Showers will officiate.

Mary Schannott

Mrs. Mary L. (Kilian) Schannott, 85, of 2131 Waterman Ave., was pronounced dead at her home by Madison County Deputy Coroner Randall A. Irwin at 2 p.m. Saturday, June 2, 1984. An inquiry is pending.

Mrs. Schannott resided in Granite City the past 62 years. She was born in Colgate, Okla.

Her husband, Herbert R. Schannott, died in 1977. Mrs. Schannott was of the Protestant faith.

Among the survivors are a son, Herbert R. Schannott Jr. of Granite City; four brothers, Frank Killian of Madison County, Deputy Coroner Randall A. Irwin of Detroit, Mich., Leo Killian of Collinsville and Roy Killian of New Mexico; 12 grandchildren and seven great-grandchildren.

Visitation begins at 4 p.m. Monday at Davis Funeral Home, 21st Street and Cleveland Boulevard, where services will be conducted at 10 a.m. Tuesday, June 5, with the Rev. Richard Hunt officiating. Burial will be in Sunset Hill Cemetery, Edwardsville Township.

Marvin Shroat

Marvin Shroat, 90, of 2022 Beckwith Ave., Madison, died at the DePaul Health Center in St. Louis County at 12:35 p.m. Thursday, May 31, 1984. He was ill one year and in the hospital nine days.

Born July 28, 1893, in Murray Ky., Mr. Shroat resided in the Quad-City area since 1919. He was a U.S. Army infantryman in World War I and was a member of Veterans of Foreign Wars Post 1300 of Granite City.

Mr. Shroat retired in 1964 from Granite City Steel, where he was employed more than 40 years in the Cold Strip Department.

He was a member of Temple Baptist Church in Madison. His wife, Mrs. Velma (Taylor) Shroat, died in December 1978.

Among the survivors are two daughters, Mrs. June Stucke of Granite City and Mrs. Cheryl (Lois) Buchana of Fairview Heights; a son, Thomas Shroat of Murfreesboro, Tenn.; one sister, Mrs. Nina Russell of Collinsville; and nine grandchildren and 12 great-grandchildren.

Services were held at noon Saturday, June 2, at Mercer Mortuary, 1416 Niedringhaus Ave., the Rev. Herman Painter officiating. Burial was in Sunset Hill Cemetery, Edwardsville Township.

Knights, residents, discuss workable plan

Members of the Knights of Columbus and the Norwood Subdivision met Saturday to discuss drainage, traffic and liquor allegations against the rezoning of the former Johnson School. The Knights, who purchased the school for \$387,000, are seeking a properly zoned C-3 community service district.

Both groups also met on Thursday night when a committee was selected from the Norwood Sub-

division. The residents also discussed provisions for a possible agreement.

Alderman Phillip Miller, who attended both meetings, said he feels Saturday's meeting was "fruitful. We didn't have a lot of the arguing that was evident at Thursday's meeting," he said.

"Both groups are trying to get together and resolve some things. They both realize it's a give-and-take situation."

Venice youth to register for summer park programs

Registration starts today and will continue through June 16 for the Venice Park District's summer recreation program, which includes a free lunch for eligible children.

The Rev. John H. Williams, park board president, and Charles Collins, recreation director, announced the program will begin Monday, June 11, at the Venice Recreation Center, 323 Broadway.

Free lunches will be provided to children between the ages of six and 17 years who participate in the summer recreation program and belong to low-income families, Collins said.

The meals will be served at the recreation center Monday through Friday throughout the summer until the program concludes, he noted.

No child will be discriminated against because of race, sex, handicap, color or national origin.

Registrations will be accepted Monday through Friday from 9 a.m. until 1 p.m. at the Venice Recreation Center beginning today.

Further information may be obtained by contacting Collins in person at the center or by calling 676-8163.

Boys help 8 children from burning dwelling

By VALERIE EVENDEN of the Press-Record

Three Venice boys showed remarkable alertness in getting eight young children out of a burning house at 10:25 a.m. Saturday, according to Venice police reports.

Quick-thinking reaction by the trio enabled the youngsters of Mr. and Mrs. Anthony Anderson to leave the dwelling in Venice.

Donald and Jeremiah Ross, 14 and 13 years old, respectively, and Jimmy Baker, 13, are credited for helping the eight children, ranging in age from 1 to 10 years old, to get out of the home without injury, reports said.

The three boys were leaving the Ross home at 117 Weber St. when they saw a child beneath the Anderson's rear porch. He appeared to be playing with matches and trying to set fire to a chair, they told police.

The boy, about 5 years old, ran away upon seeing the older boys first tried to extinguish the chair fire with

a garden hose. When they realized they couldn't put out the blaze, which had spread to the porch, the boys went up to the house and started getting the children out.

The parents of the eight children were at the store at the time of the incident, it was noted.

Youngsters in the dwelling were Edward, 10, Niki, 9, Veronica, 8, Jamette, 6, Shalimar and Detri, both 3 years old, and Annette and Kenny, both about 1-year-old.

Venice Fire Chief Bill Meehan said the fire had a fairly good start when the firefighters arrived and had gone up through the walls.

However, the blaze was contained to the back of the house, he noted.

"The kitchen was heavily damaged as the firemen had to pull down part of the ceiling. It needs cleaning up, but I don't think the house was hurt that badly," he said.

Chief Meehan added that the family may be able to occupy the dwelling when electrical service is restored. Reports said the Red Cross was notified about the incident.

Madison County Circuit superintendent of streets, met in late May with Demco members to discuss the future of the party and the prospects for unity among elected officials and

the Democratic central committee. Warfield said progress was made, including elimination of the candidate screening process.

Instead of attempting to assess \$750 fees to the candidates, major candidates to help meet joint campaign costs—the central committee may schedule a large fund-raising event to aid Democratic campaign efforts, he added.

"The court is of the opinion that a public official does not commit misconduct if he commits an act within his official capacity for publicity purposes if the act does not violate due process, is done without malice, or the act does not constitute an independent crime," White wrote.

"STANDING ALONE, the act is not so corrupt as to put the official's feet to the fire for official misconduct," he said.

Citing a previous court decision, White said that before a public official could be charged under the section of the law in indictment, he must have violated a civil or criminal law, an administrative rule or regulation, a Supreme Court rule, or a provision of the code of ethics.

After the judge ended the hearing, Weber leaned over the railing into the spectator's section of the courtroom and kissed his wife, Virginia.

HE SAID later he does not think Verticchio will appeal the judge's ruling. Both sides in the case had the utmost confidence in White, Weber said.

White, a Republican, was appointed by the administrator for the Illinois court system to hear the motion to dismiss after Weber objected to the original appointment of St. Clair County Circuit Judge Stephen Kernan as a Democrat, described as a friend of Cuetto.

Weber was represented in the proceedings by Donald Groshong of East Alton.

The final two days of circus performances will be in Belleville on Saturday and Sunday, June 9 and 10, at the Belleclair Fairgrounds, with performances each day at both 2:30 and 7:30 p.m.

The Belleville pre-circus parade is scheduled for 8 p.m. Friday, June 8.

wanted the motion based on the fact it wasn't a crime," he said.

WEBER NOTED that he had been investigated by the State Board of Elections for alleged campaign financing violations and by the special grand jury for allegations by Belleville attorney Amiel Cuetto. The board of elections cleared Weber and the special grand jury returned no indictments on Cuetto's allegations.

"I don't know how much more someone could be investigated and looked into," Weber said.

He added, "I hope now that the public and the press will begin to focus on the real corrupt officials of this county," but declined to elaborate.

ASKED IF he believes there will be more allegations against him in the upcoming political campaign, Weber said, "Everything that could possibly be said about me has been said."

"I think the election will be determined on what I've done and not what people have accused me of for 18 months," the state's attorney said. He said the net result of the investigations is that "I'm the first and only certified honest candidate that's ever sought public office."

He said there will be developments in the next 60 to 90 days that will show he hasn't been inactive while charges against him were pending; a couple of major investigations are under way. "Now it's full speed ahead," he said.

HE INDICATED he was not happy when he came into the state's attorney's office an hour before the hearing Thursday and saw his staff had purchased champagne in preparation for a celebration of the dismissal of the charges. Weber said he had been confident the judge would rule in his favor, but that he was still superstitious.

He later gave his staff the last 2½ hours of the day off.

Judge White read his seven-page ruling during a brief hearing in Edwardsville.

The judge said the act of a state's attorney asking an assistant to bring back an indictment on a particular day was not in excess of his lawful authority.

OBTAINING BENEFICIAL publicity is not the type of personal advantage the legislature had in mind when it passed the law on official misconduct, White said.

The law says a public official or employee commits misconduct when in his official capacity he performs an act in excess of his authority.

\$245,700 scholarships given by GC Foundation in 3 decades

By BILL WINTER
of the Press-Record

Since being incorporated on March 28, 1953, the Granite City Scholarship Foundation has awarded 490 scholarships amounting to \$245,700. It was announced at the 1984 senior recognition assembly at Granite City High School.

New grants for college-bound high school students totaled \$18,200 to 26 members of the current graduating class. The monetary figure was a new yearly record.

CURRENT OFFICERS of the Scholarship Foundation are Robert Robles, president, Charles King, vice president, Dorothy Robles, secretary, and Robert Maxwell, treasurer.

Robles represented the Mexican Honorary Commission in presenting scholarships to Daniel A. Whiteside, Denise Darnell and Connie M. Borror.

On behalf of the Granite City Steel Employee Torch Club, Director Larry McCormick awarded scholarships to Ronald John Veizer, Elizabeth Eloise Trimmer, Michelle Marie Sikora and Robert A. Sievers.

Dan Hines, GC Steel manager of public relations, presented grants to Lynnette Sue Spiff, Lisa D. Lilley and David William Oyen.

REPRESENTING The First Granite City National Bank, Chairman Melvin Wilmameyer gave a scholarship to Michelle Marie Zelenka.

Olelia Antoff of the Mexican Honorary Commission presented a scholarship to Sheryl S. Siler.

President Will Seim of the Granite City Rotary Club handed that group's scholarship to Gerald Hasselbrock, while Mark Yehling of the Granite City Optimist Club made the presentation to Kimberly Lynnette Hale.

PRAIRIE FARMS Dairy's scholarship went to Gregory A. Nemeth, M. H. Wolfe Construction Company's grant to Aaron Todd Miller, and the Granite City Firefighters Local 253 scholarship to Cynthia Ann Minner.

A combined scholarship award by Rite Electric Co., Madison County Savings & Loan and the Granite City Press-Record was received by Gloria Maria Milianis, and the presentation to Jeffrey Lyn Melford was from the MinerVa Women's Club. American Heritage Bank of Granite City and R. Dron Electrical Co.

Scholarships provided by funds not fully used from prior grants were presented to Eric Gunderson, George Michael Gordon, Steven Walter Elmore, Michele L. Bezan, Diana Ashal, Thomas John Adamitis and John Kenneth Abrams.

TREASURER Maxwell, a former local teacher and school administrator who is now an executive at Granite City Steel, told the gathering of the history of the Scholarship Foundation.

"The Foundation was formed by a group of teachers and community leaders because they saw a need—a need to help deserving high school graduates get a start toward a college education.

"Its purpose is to encourage and assist graduates of GCIS in continuing their educations," Maxwell related.

"IT IS THE POLICY to choose recipients on the basis of financial need, their purpose in pursuing collegiate education, and their ability to attain that goal.

"In its first year of operation, 1955, the Granite City Scholarship Foundation awarded two scholarships in the amount of \$250 each.

"In 1957, the amount of the scholarship was raised to \$400.

"THE VALUE of each scholarship was increased to \$500 in 1974, to \$600 in 1979, and finally in 1980 to \$700, where it remains today.

"In these three decades, the Foundation has awarded 490 scholarships costing \$245,700. Many local businesses and organizations over the years have made substantial contributions to make this possible.

"There was only one other year in history in which more scholarships were given. That was in 1965, when 27 scholarships of \$400 each were awarded by the Foundation.

"THIS YEAR, we had a windfall of extra money," Maxwell reported. "Southern Illinois University at Edwardsville returned about \$4,900 to the Foundation from funds which had not been completely used over the years.

"This allowed us to give seven additional scholarships, 28 instead of 19.

"Through the Foundation, various area organizations and businesses are awarding 26 \$700 grants totaling \$18,200. We are proud to award the largest amount ever given in any one year to you, the graduates."

HAPPY FACES. Students at Marshall School express their happiness in hearing each won a ribbon in the Science Fair held at the school, this month. Front row, from left, Melanie Moorman, Kelley Moorman, Kim Annable, Starlene Modglin. Second row, Jonathan Beasley, Mindy Bayer, Sean Asbeck, Kevin Kessler, Donna Downs. Third row, Principal Al Wilson, Travis Moorman, Donald Eudy, Erin Bayer, Ullona Sechrest and Brooke Hostmeyer.

Warrior yearbook wins SISPA honors

Continuing a winning tradition, Sparta High School's "Bulldog" yearbook has been named a winner for the 20th consecutive year in the Southern Illinois School Press Association's (SISPA) 1984 Golden Dozen school yearbook contest.

Also among the winners was the "Warrior" yearbook of Granite City High School South (judging was based upon last year's yearbooks when Granite City had two high schools.)

They were among 12 produced in 1983 judged tops in the SISPA contest. Some 39 yearbooks from Illinois, and one each from Kentucky and Missouri, entered the competition.

Judge of the contest was Hope Carroll, publications adviser at West Monroe High School in West Monroe, La.

Winning yearbooks, faculty ad-

visers and student editors were announced by W. Manion Rice, associate professor of journalism at Southern Illinois University-Carbondale and executive director of SISPA.

Winners were honored at SISPA's annual spring conference at SIUC. The "Warrior" advisor was DeeMena Spudich and Chris Peterson was editor.

Vacation plans should include mail delivery

Summertime vacation travelers will enjoy their vacations more, knowing care will be taken for their mail. To ensure mail delivery is left in good order while on vacation, Granite City Postmaster Jack D. Wilkins recommends the following options:

Travelers can have mail kept safely for their return by asking someone they trust — a friend or neighbor — to check their mailbox every day and hold the mail.

They can arrange for the Post Office to hold delivery of mail for up to 30 days. "Contact the Post Office to complete the appropriate form," says Wilkins, "and remember to notify the Post Office promptly upon your return to resume normal delivery."

COMPLETES COURSE ON POURING OF CONCRETE

Janet Lee Bailey, 3010 Madison Ave., a laborer with Local 397, 1906 Missouri Ave., Granite City, has completed a laborers' Union Upgrading Course in "Concrete Technology, Construction, Opportunity and Risk."

Member of Laborers' Local 397 recently completed a five-day (40 hours) program at the Illinois Laborers' & Contractors' Training Program. Concrete Technology is a 2½ day seminar designed by Laborers AGC to assist the Concrete Laborer Foreman in: mixing, placing, vibrating, curing, and drying packing. Also the prevention and correction of common concrete defects.

If they prefer, travelers can arrange for mail to follow on their travels, for up to 90 days, by informing the Post Office where to forward the mail for a specified time, after which it will be held for their return. Says Wilkins, "Be sure to instruct the motel, hotel or home you are visiting to forward any mail that arrives late to your new travel address."

Wilkins also suggests travelers in the U.S. buy stamps in advance in case a Post Office isn't conveniently located and, when possible, to deposit mail in business district collection boxes, which have more frequent and later pick-ups. Persons traveling abroad will require postage stamps of the country from which they mail.

Wilkins notes that experienced travelers take along pre-addressed envelopes, postal card and labels including that all important ZIP Code for their correspondence. "This saves time and helps keep addressing legible and accurate," Wilkins said.

Legislation would end penalties for seniors

U.S. Rep. Melvin Price (D-21st District) is sponsoring legislation to provide tax relief to the estimated 300,000 elderly taxpayers who are forced to pay \$40 million in tax penalties each year because of their inability to understand the complexities of the estimated tax provisions of the federal tax code.

"When people retire, their taxable income from pensions, dividends and interest is not subject to withholding as their wages were," said Cong. Price. "And many older persons with very modest incomes are unaware that the Internal Revenue Service requires them to make a declaration of estimated tax and pay regular, quarterly tax payments. After they file their an-

nual tax returns and pay their fair share of taxes, the IRS automatically hits them with a hefty penalty for failing to comply with the estimated tax requirements."

Under current law, the IRS has no authority to waive tax penalties for elderly persons who are clearly innocent of any intentions to evade taxes. "The new bill would permit the IRS to waive or reduce the penalties for elderly and retired people where there is 'reasonable cause' to do so," said Cong. Price.

Township protection bill advancing, Sparks tells board

By RACHEL NEWSOME
for the Press-Record

A bill to contain the boundaries in Illinois Townships and the donation of money to two local organizations were major topics of discussion at the Chouteau Township Board meeting last week.

Referring to House Bill 1591, board President Walter "Dick" Sparks stated, "It is really important to us to keep plugging for it and if we don't get it, we'll lose a large portion of this township."

After reading supportive letters from State Sen. Sam Vadalabene and Rep. Sam Wolfe, Sparks reported that they have support.

from a "good majority." In other business, representatives from the Association for Protection of Animals, will soon be opening an Animal Shelter in Chouteau Township. The representatives were requesting funds to aid the completion of the shelter, which is scheduled to open June 23.

With a staff of 18, the shelter will care for strays, unwanted animals and be active in animal abuse cases. The APA will be responsible for adoptions and each animal that enters the shelter will be vaccinated.

"We're not trying to compete with the Granite City pound, we're only trying to aid them. The pound can only do so much," said a shelter representative. The board voted to donate \$1,000 to the shelter.

Also requesting a monetary donation was the Hartford Public Library. A letter of request from the library board stated that they were "asking for revenue sharing fund money, as was given to us last year." The letter also stated that the money will be used to purchase books for the children of Hartford.

The township board agreed to donate \$500.

Three township residents were cited by Madison County Environmental Control Commission for creating hazards to the area due to neglect. The commission asked the board to have these conditions corrected within 30 days.

Madison County Community Development invited the board to send two representatives to a workshop, Monday, May 4, at the Edwardsville Holiday Inn. The workshop will explain their pro-

grams, covering such topics as eligible areas, eligible projects and funding for two years.

The board's next scheduled meeting is set for Monday, June 11, at the Chouteau Township offices.

GC artists advance in competition

Fifteen works of art by 11 County artists recently received blue ribbons at the 19th Annual Town and Country Art Exhibition. The 15 works were among 199 entries by 41 artists from throughout Madison County. The works will now be eligible to compete in the regional Town and Country Art Show set for June 8, 9 and 10 at St. Clair Square in Fairview Heights.

Another 10 works were awarded red ribbons in judging held April 27 by Nola N. Keepler of Edwardsville and Robert Moske from Granite City, art instructors.

This year's Town and Country Show featured works done in a variety of media and includes paintings, photographs, woodcarvings, needlework, ceramics, sculptures, jewelry and weavings. The Town and Country program is sponsored by the University of Illinois College of Agriculture, the Cooperative Extension Service, the College of Fine and Applied Arts, the College of Applied Life Studies, the Office of Recreation and Park Resources, and the Office of Continuing Education and Public Service.

An oil painting, "Mountain View" by Mrs. Bena Blyue of Collinsville won the Best of Show Award as well as the People's Choice.

Local artists winning blue ribbons include Nellie Dierker, Jerry Lockhart and Nancy Meadows of Granite City.

Local artists awarded red ribbons include Lorraine Decatur and Lucille Lattimore of Granite City.

Caught in home; jailed and placed on probation

A Granite City residential burglary has led to sentencing of Charles Thompson, 25, of 1908 Rhodes St., Madison, to five years of probation, six months in the Madison County jail and assessment of \$95 in court costs.

A restitution amount is to be set by Circuit Judge Philip J. Rank.

The charge was filed Dec. 1, 1983. A guilty plea was submitted March 16 and the sentencing took place in May.

Thompson was found inside a home at 2710 Buxton Ave. at 3 p.m. Nov. 30. The owner, Kit Wood, was away at the time.

Police were told that a man crawled through a window into the home. When they drove up, he walked onto the front porch and said, "Here I am, Officer."

He contended that he had permission to be in the home, and dialed a telephone number, saying he would let police talk to the person who had given permission. A policeman was unable to hear any response when the officer tried to converse with whoever had been called.

Child restraint bill passes House

The Illinois House of Representatives has approved legislation designed to encourage Illinois drivers to "buckle up" young children.

HB 2883, supported by State Rep. Sam W. Wolf (D-Granite City) would change the current Illinois law to allow companies which sell automobile insurance to offer car seats to policyholders. According to Wolf, incentives such as this have proven effective in other states. "Certain insurance companies in Minnesota and Michigan routinely give away car seats to policyholders with young children," Wolf said. "This bill would permit Illinois insurance firms to offer car seats to their customers at reduced cost, or no cost."

Wolf stressed that the 1982 Child Passenger Restraint Act is working extremely well.

"During the first 12 months that Illinois required seatbelts or child restraint seats for children, accident fatalities of those 5 years and younger dropped from 27 deaths in 1982 to 12 deaths in 1983," Wolf said. "Hopefully, the cooperation of insurance companies will help to further reduce that figure."

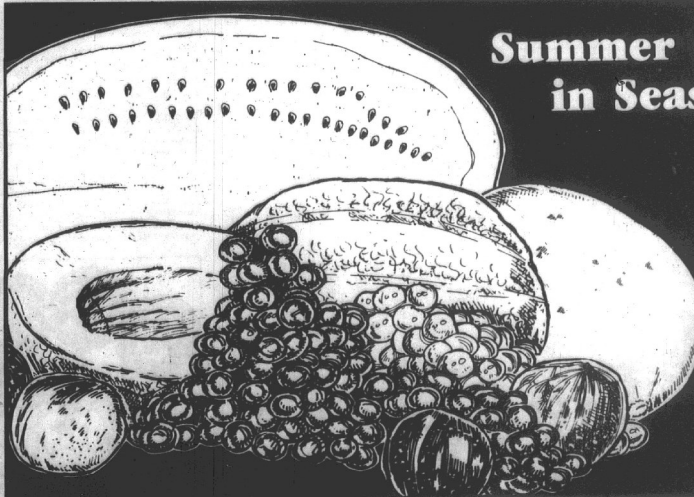

House Bill 2883 passed the House on an affirmative vote of 110 to 2, and now goes to the Senate for consideration.

Ladies Sodality concludes season

Final plans for the annual parish carnival at St. Elizabeth Catholic Church were announced at the final meeting of the Ladies Sodality held last week.

The fund raising event will be held on June 9 and 10 and on Saturday will feature a pork steak dinner from 3 to 7 p.m. and on Sunday will serve a chicken dinner beginning at noon. There also will be rides and games for all ages, it was noted.

The president noted the Church Women United will begin on June 21 with a tour of churches in the area. St. Elizabeth school children enjoyed a day of games organized by teachers on May 29 followed by the mothers serving refreshments.

The attendance prize was won by Agnes Riedel, Marie Turner won the madonna and Elizabeth Derr received the quilt of the month.

Guest speaker was Rosanna Herin of the Granite City Center who spoke on classes and services the center has to offer the community.

The organization will convene again on Aug. 21 and will hold a baby shower with gifts to be donated to the Alpha Center, the president explained.

Harmony Class meets at church

The Harmony Class of the Neighborhood United Methodist Church met for their May meeting in Wesley Hall of the church.

The opening prayer was given by Ruby Corbitt. Gus Frenzel was the devotional leader using the "Autobiography of Louis P. Frohardt," in keeping with the Bicentennial celebration of Methodism this year.

President Cleveland Cox conducted the business meeting. It was noted that for the June meeting the group will be going to Barefoot Inn, in Hardin, Ill.

Hostess for the evening were Gladys Potillo and Pauline Gushoff. Refreshments were served to the following members and guests: Mr. and Mrs. Edgar Paddock, Mr. and Mrs. Cleveland Cox, Mr. and Mrs. Waldo Frohardt, Mr. and Mrs. Gus Frenzel, Mr. and Mrs. Calvin Compton, Mr. and Mrs. John Lerch, Mr. and Mrs. Fred Stetch, Ida Carriss, Harold Schnell, Esther Traylor, Virgil Morris, Thelma Clements, Alice Cruise, Bessie Milton, Marie Toth, Ruby Corbitt.

Gospel singing set for Wilson Park

Matt Barnes of Tri-City Park Tabernacle, is again promoting gospel concerts in Granite City Parks with the cooperation of the Granite City Park Board.

"Last year the concerts were termed a successful venture and it seemed the public enjoyed the music," according to Barnes.

The first program will be held from 7 to 9 p.m., Thursday, June 7, in the park at 27th Street and State street.

Featured musicians will include, Agape from Grace Baptist Church, The Hildreth Family from Tri-City Park Tabernacle, and the Soul Searches of Granite City.

There is limited seating available and those attending are advised to bring lawn chairs for the concert that is admission free.

Church Women presents 'Music, Music'

"Make A Joyful Noise Unto The Lord" acting on that biblical directive, Church Women United in the Quad-Cities brought together nine musical groups from area churches on Sunday, at St. John's United Church of Christ, 2901 Nameoki Road.

Performing from 4 to 6 p.m., to help raise funds for Church Women United's "Fund For The Fifth Decade," was a variety of talent that included: St. John's Chancel Choir and St. John's Youth Choir, St. Peter's United Church of Christ Handbell Ringers, Mount Nebo Baptist Church's Male Chorus and The Mosby Singers, West Madison-North Venice Community Choir, Bethel A.M.E. Church Mass Choir, a trio known as "The Soul Searchers," and Nameoki Methodist Church Adult Choir.

Church Women United has been active in the Quad-Cities for 38 years. Over the years, the projects and programs have continued or changed according to the greatest needs of the community. Currently, they are involved in programs dealing with hunger, education, mental health, employment, justice and peace on the national, state, and local levels. Among the many programs at the local level, Church Women United provides layettes for

babies referred by the local hospital; is active in Project Help, a food distribution program for laid off employees, sponsors a tutoring program at a local elementary school, arranges monthly birthday parties for nursing home residents and serves on a limited time basis when called upon by other community caretakers.

A national ecumenical movement, Church Women United is made up of women from Protestant, Roman Catholic, Orthodox and other Christian traditions.

During its 40 years national existence, CWU programs have traditionally been funded by contributions from members. To continue funding present projects and to expand and accept new challenges as

they arise, the national movement has for the first time undertaken a capital funds campaign. A large percentage of the "Fund For The Fifth Decade" will stay in the local community. Mrs. Ola Jones, president said.

The "Music, Music" entertainment helped realize the \$3,000 pledge that the local unit has made. Mrs. Jane Kennerly served as chairman of the event.

Golden Agers fete birthday members

Frances Westbrook and Eva Hansel, who both are celebrating their birthdays this month, were accorded special honors at the business and birthday meeting of the Golden Age Circle Club of Kirkpatrick Homes, last week.

Mrs. Ruby Corbitt conducted the session at the Anchorage Recreation Center with reports given by Carrie Hart.

Future activities were discussed and it was agreed to have a potluck dinner on June 12 with the meal and drinks furnished by the club, and each member is to bring a covered dish.

During the meeting a memorial service was conducted for deceased members, Ernest Kassabaum, Zula Cruse, Ovie Nix, Grace Duke, Leftia

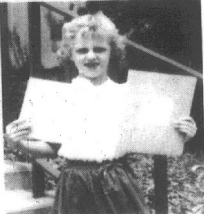

Lewis, Ethel Seymore, Naomi Rongey, Nellie Hillmer, Vasil Sotiroff, Gladys Hancock and Clara Earney.

The meeting was closed and games played with prizes going to Pauline Cox, Martin Schulte, Carrie Hart, Mrs. Westbrook, Pearl Bailey, Evelyn Smith, Vi Scrivner, and Mrs. Corbitt.

VACATIONISTS RETURN

Mr. and Mrs. Paul Rutledge, 3821 Village Lane, spent several days visiting at the home of Mr. and Mrs. George Withers in Woodland Park, Colo., before returning home.

The Withers family are formerly of Granite City.

BETH ANN NOE

Mitchell student attends conference

Beth Ann Noe, a second grade student at Mitchell School, attended the Young Authors Conference at Illinois State University at Normal, Ill., during the weekend.

Her manuscript was chosen as outstanding work at the local level and she received a gold seal and certificate from the State Board of Education. She was among many other young authors from the state.

Her teacher at Mitchell school for this project was Mary Lou Hudson.

A special speaker for the conference was Jim Aylesworth, author of several children's books. The trip was financed by the Mitchell PTA and Beth Ann's sponsors, Mr. and Mrs. Roy A. Williams, accompanied her on the trip.

Mrs. Ilene Willis entertains club

Mrs. Ilene Willis entertained the Butterfly Card Club, Thursday night, in her home.

Those excelling in the games and winning prizes were, Mesdames Hazel Rollins, Mary Lou Claussen, Katie Hommert and Thelma Schmidt. Also present were, Mesdames Neil Talley, Harriet Hoff, Edith Ryan who also won honors, and Juanita Rosenberg.

The June meeting will be held in the home of Mrs. Lorraine McIlroy.

AARP Chapter 3577 seeks new members

The Quad-City American Association of Retired Persons, Chapter 3577, organized to meet during the afternoon time period, held a monthly session at Anchorage Recreation Hall, last week.

President Virgil Worley opened the meeting with a prayer and pledge to the flag. Reports were given by Edith Worley, secretary, and Leona Spickett, treasurer.

The president requested all members attend the meetings and to bring new members who are interested in attending session during the day instead of at night.

The next board meeting is set for June 13 and the general meeting for June 27. Anyone interested in attending is advised to call Rose Schmidt at 877-5733.

Baby shower fetes Mrs. Ramona Gant

Mrs. Ramona Gant of Granite City, was complemented with a baby shower, last week, given in the home of her mother, Mrs. Ruth Ann Oster, 794K Old Alton Road.

Hostesses were Beverly Craner and Kimberly Hefner. The used a rainbow motif for the table appointments and other decorations. After the honoree opened her gifts games were played and refreshments served to 38 guests.

Mrs. Crenshaw hosts Garden Study Club

The Garden Study Club met in the home of Mrs. Norma Crenshaw for a noon dessert luncheon followed by an afternoon business meeting.

Each one answered the roll call by naming a perennial they preferred and the business segment was conducted by Margaret Huesman, president.

A program entitled, "Perennials" was given by Helen Mihb and Mrs. Clara Winter announced the club was given six Golden Victories.

The club also has 60 terrarium plants which are to be distributed to the Browning Troops at Lincoln School in Collinsville, and the troops from SS Peter and Paul Church in Collinsville.

Others attending were Medames C. E. Eads, Mary Stonum, and Catherine Kostoff. The June 6 meeting will be hosted by Lucille Korinek in Collinsville.

Local residents attend reunion

J. D. Abbott, Calvin Clark and Mrs. Luther Abbott, all of Granite City, attended their 25th class reunion held at the Journeyman Restaurant in Doniphan, Mo.

The trio along with 12 others graduated from the Grandin High School, Grandin, Mo., in 1959.

John Wilds, a former Granite City resident, now residing in Cahokia also attended the social event.

Michael Corrado designs winning day camp patch

Cubmaster Tom Boushard of Pack 96, announced Michael Corrado of Den One, created the winning design for the Day Camp patch and will be able to attend the event free of charge, during a monthly meeting held at Maryville School.

Members of Den Four opened the meeting by leading all in repeating the scout pledge.

Each boy that attends Day Camp from the Uniwah District will receive a patch showing Corrado's design, the cubmaster added.

Pastor Jerry Harris presented the religious award to Chris Hoffman, Tim Bryan, Eric Miner, James Holmes Jr., David Rosales, Stephen O'Toole, David Partney, Greg Argent, Lonnie Bettis, Doug Norton, Mike Harris and Andy Richards.

Each of the boy's parent attached his pin above the left pocket during the ceremony.

Webeles Leader Jerry Gann and Commissioner Pat Foote conducted the candlelight Arrow of Light ceremony honoring James Holmes Jr., Joey Boushard and Mike Mathews.

Danny Thomas was given his framed certificate for competing in the district pinewood derby race and

several other scouts received Boy Scout council identification cards.

All scouts who sold tickets for the Scout O Rama received certificates and patches. Mrs. Foote then presented Tom Boushard with a ribbon Award of Merit and Honor recognizing the Pack 96 booth for its continuous action and popularity throughout the event.

Promotion from Wolf to Bear included all members of Den One and Den Two with the exception of one boy who remained a Wolf. Den Four members became Webelos and Doug Norton will be the new Webelos leader. It was announced the Webelos may now wear the Boy Scout uniform with cub scout insignia.

Silver arrows were awarded to Danny Clark, Eric Miner, Lonnie Bettis, Jeff Boyer, Billy Clark, Chris Hoffman and Andy Richards.

Webeles pins went to Joey Boushard, Garrin Gann, James Holmes Jr., Chris Martinez, Brad O'Neill Ryan Crisler, Mike Mathews, Nathan McClain, and Jason Nemeth.

Following a discussion on summer activities Den Two and Den Four closed the meeting with a song.

Day Camp registration still available here

There is still time to register for day camp this summer with River Bluffs Girl Scout Council. A fun-filled experience is planned for girls between the ages of 6-17. A girl need not be a Girl Scout to sign up for this summer program held at Wilson Park for girls in the Granite City, Madison, Venice area, from June 18 to June 22.

The theme for this day camp is "Pole Arts" and day camp director Barb Maynard, has a week packed with activities designed to meet the needs of younger and older girls. Trained adult volunteers will be on hand to help implement this program, which will be highlighted by a series of visits from a variety of people interested in preserving the folk arts.

The Old Six Mile Historical Society from Granite City, will display a collection of old cooking utensils and will provide a fashion show focusing

on folk design. Students from Southern Illinois University will teach participants folk dancing steps and girls will learn first-hand the art of soap-making and weaving. Specialists will be available to discuss folk medicines and herbal cures. Girls will be given the opportunity to learn how to play dulcimer and spoons as musical instruments.

Other planned activities include: making a sun clock, dipping candles, making bulletin boards, tin lanterns, stencil prints, churning butter, making rock candy and dried fruit, toys, puzzles and games, bird feeders, colonial caps, hex designs for your home, yarn dolls and much, much more.

If this sounds like something some girl you know would enjoy, please call 345-1606 or 823-6992 for more information, council officials added.

SIU at Edwardsville

EIGHT GRANITE CITY residents were among 200 students at Southern Illinois University at Edwardsville who received special awards for academic achievement. Local residents honored were: David Degonia, outstanding senior chemistry student; James William Dimitroff, biology outstanding senior award; Karen L. Hatcher, Harold Bochenstein Award in Marketing; Christine Ann LaRue, department award for excellence in Spanish; Gene Logas, Deloitte Haskins and Sell Scholarship; Michelle Mehan, Scripps Howard Foundation Scholarship; C. Vince Varvel, jazz award, and Kimberly Woodward, KTVI-Times Mirror Scholarship.

FOUR GRANITE CITY EMPLOYEES of Southern Illinois University at Edwardsville were honored at a special retirement dinner. Local retirees and the number of years they were employed include: Clarence H. Aernie, six years; George H. Goodwin, 19 years; Harold W. Wallace, seven years, and Murel L. Spengler, six years.

THE SCHEDULE FOR SUMMER UNIVERSITY 1984 at Southern Illinois University at Edwardsville now is available, according to Paul Gaston, acting director of Summer University. Many area libraries, government offices, and bookstores stock the schedule, which lists available courses and course times and provides other useful information. This year, for the first time, schedules intended for off-campus distribution have a colorful cover with information directed to those unfamiliar with SIUE's summer offerings.

Anyone unable to locate a Summer University schedule may request that one be mailed to his or her home address by calling Donna Ireland at 1-692-3772 or by writing Summer University Schedule, Office of the Vice President and Provost, Box 21, Southern Illinois University, Edwardsville, Ill. 62026.

A BEGINNING COURSE in journalism will be offered through Summer University at Southern Illinois University at Edwardsville. The course, News 103, focuses on the study of the newspaper story with an emphasis on writing, reporting and copyediting.

The course will meet on Sundays from 2 to 5 p.m. beginning June 17. Educard holders will also be able to sit in on this class. For additional information, interested persons may contact the mass communications department at 1-692-2230 or the Weekend University office at 1-692-3775.

PETER ERSKINE, DRUMMER WITH the group "Steps Ahead," will join the Southern Illinois University at Edwardsville Concert Jazz Band in performance on Thursday, June 14, at 7:30 p.m. in the Communications Building theater. Erskine has also played with "Weather Report" and the bands of Maynard Ferguson and Stan Kenton. He has also performed on a variety of recording dates in New York and Los Angeles, and he has worked as a clinician for Yamaha Drums.

The concert is sponsored by the SIUE department of music as part of the Summer Arts Program — admission is free and the public is cordially invited to attend.

A WORKSHOP FOCUSING on concrete in construction will be offered by the Office of Continuing Education at Southern Illinois University at Edwardsville, June 16. The workshop, sponsored by the School of Engineering, was developed particularly for field and office personnel who specify or use concrete.

The one-day program highlights correct construction and inspection procedures, as well as the identification and solution of field problems. The workshop will meet from 8 a.m. to 4:30 p.m. in Room 025 of the Science Building at SIUE. Preregistration is urged. The cost is \$60, which includes textbooks, materials and a luncheon.

KAREN LEE HATSCHER, daughter of Mr. and Mrs. Frank Hatcher of Granite City, has been named to the 1984 "Who's Who Among Students in American Universities and Colleges" by the staff of Southern Illinois University at Edwardsville. Students are selected based on academic achievement, service to the community, leadership in extracurricular activities and potential for continued success.

FOUR GRANITE CITY STUDENTS attending Southern Illinois University at Edwardsville, were inducted into the University Ambassador's Tour Society. The society is open to exceptional student volunteers. Local residents selected include: Theresa Counts, Patricia Flanagan, Susan Smoot and Suzanne Stadel.

Belleville Area College

LATE REGISTRATION for summer classes at Belleville Area College will be Monday, June 4, through Friday, June 8.

There is a \$5 late fee for registration at this time, the first week of classes.

JOHN CHRIS KEPALAS of Granite City, has been named to the dean's list at Duke University for his academic work during the spring semester. Kepalas is the son of Chris Kepalas of 2484 Waterman Ave.

DAVID KEITH TRIPP, a former resident of Granite City, received the master of church music degree from the Southern Baptist Theological Seminary. He is the son of Mr. and Mrs. Delbert Tripp of Desoto, Mo.

Conduct determines liability

Law
and you

By Rick Reed
Attorney at Law

As a general rule, in personal injury cases the defendant is liable to the plaintiff for all damages "proximately caused" by the defendant's conduct. In other words, the defendant is responsible for all damages which can reasonably be expected to result from his actions. Therefore, one of the burdens the plaintiff will have to meet when the case comes to trial is to show that the defendant's conduct "proximately caused" his injury.

In personal injury cases, circumstances dictate whether the defendant's conduct was the "proximate cause" of the plaintiff's loss or whether an "intervening cause" would render the defendant blameless. An obvious case where the defendant would be held liable for the plaintiff's injuries would be where the defendant's car crosses the center line and sideswipes the plaintiff's car causing the vehicle to leave the roadway. Here the plaintiff's medical expenses and his lost wages would be damages which proximately resulted from the

defendant's wrongful conduct.

It should be noted that a defendant will not normally be held liable and the proximate cause of the plaintiff's injury if the defendant's conduct sets in motion other agencies which produce the final result. For example, let's assume that the defendant's car crosses the center line as in the previous set of facts. However, in this hypothetical situation the plaintiff's car comes to rest against a huge tree which falls on the plaintiff's car because of its decayed condition. In this case, the defendant would not be liable for the damages sustained by the plaintiff even though the tree would not have fallen if it had been healthy. The courts would probably find in this situation that the defendant's action set in motion this chain of events which resulted in the plaintiff's loss.

To illustrate an "intervening cause," assume the same facts as before except in this situation assume the tree did not fall because of decay. Rather let's assume that while the plaintiff's car was resting against the tree, another motorist while attempting to avoid the accident lost control of his car and strikes the tree. This in turn causes it to fall on the plaintiff's car, and the plaintiff is injured. In this situation, the defendant would not be responsible for the damages caused by the intervening factor since it was unforeseeable. The motorist who lost control of his car was an "intervening cause" and would be responsible for the damages caused by the falling tree.

EDDIE PLATT AND JAN SHAPIRO, two well-known jazz artists, will appear in recital tonight at 7:30 in the Communications Building theater at Southern Illinois University at Edwardsville. The two are members of the SIUE faculty in the studio

music and jazz degree program. They will be accompanied by colleagues Brett Stamps on trombone and Rick Hayden on guitar. Admission is free. The event is sponsored by the SIUE Department of Music.

Effects of area business growth studied

The strategy for obtaining an objective data base of specialized information on regional public school systems is being studied by Stefan P. Krechniak, professor of educational administration and institutional technology at Southern Illinois University at Edwardsville.

Professor Krechniak will explore the feasibility of such a body of information for the SIUE Office of Area Services, and ultimately, for prospective employers and their employees. His work is supported in large part by the Summer University.

"THE LONG-RANGE" intent would be to include all districts in the St. Louis Metropolitan Statistical Area," Krechniak said, "however, this pilot project will be restricted to Madison, St. Clair, Jersey and Monroe Counties in Illinois and St. Charles County in Missouri."

In the course of his professional activities, Krechniak has established working relationships with the kinds of agencies involved in his research, such as area school systems, the Illinois and Missouri State Education Departments, and the North Central Accrediting Association. He has also served as associate project director on a 1983 project which focused on ways business, labor, and education relate to each other in the economic environment.

A number of agencies, units, and responsible persons have already contributed to this project, Krechniak noted. "Because of the delicacy of the information we are seeking and the purpose for which it will be used, we have to establish a strong climate of trust. So far our results have been positive."

ACTING DIRECTOR of the SIUE Summer University, Paul Gaston, said, "This is a study of urgent importance. It combines two of the priorities for the university in meeting its service responsibilities as set forth by President Earl Luerzon: cooperation with the common

schools, and economic development in our region."

The need for the study arose through several in-depth conversations with Robert Koepke, SIUE's coordinator of area development. Krechniak pointed out. A sample of area school administrators was sought regarding the availability of data.

"Problems regarding the confidentiality of school records were anticipated," Krechniak noted. "They can probably be resolved if all data is treated anonymously in

an aggregate form, which is the approach we wanted to take in any case."

ACCORDING TO Krechniak, economic development literature demonstrates that new businesses are attracted to communities which offer suitable living conditions for their potential employees. This factor comes into play with others, such as the availability of a skilled work force, good transportation, and a strategic location.

"Schools are an important factor in the decision to locate in a given

area," Krechniak claims. "Subjective data are now available largely through 'word of mouth' communication. School district X seems to be better than school district Y. Or, County A is more desirable than County B."

"There is no systematic way by which to render valid comparative judgments regarding schools and school systems. Businesses know the kinds of schools they are looking for, and their preferences may vary. We just want to provide a clear set of facts for critical analysis and realistic choices."

Grants available for international study

The Graduate School at Southern Illinois University at Edwardsville is announcing the availability of U.S. Information Agency and Institute of International Education grants for graduate study or research abroad and for professional training during the 1983-84 academic year.

Dean Vaughn Lindsay said approximately 700 awards will be available to 500 countries. The purpose of the grants is to promote understanding between the people of the U.S. and other countries through the exchange of persons, knowledge and skills.

THE GRANTS are provided under the terms of the Mutual Educational and Cultural Exchange Act of 1961 and by foreign governments, universities, corporations and private donors.

Applicants must be U.S. citizens at

Business zoning is sought in hearings

The Madison County Zoning Board of Appeals conducted on-site public zoning hearings this morning on three lots, including one proposed for a wholesale business district along Route 162 adjacent to Spud's Tavern.

The first hearing was at 9:45 this morning at 4058 Central Lane, where Sunshine Scruggs, owner of the land, and Lynn Lewis, occupant of a mobile home, are requesting a special use permit to place a double-wide mobile home for as long as possible.

The second hearing was at 10:15 a.m. at 213 Booker Street, Eagle

Park Acres, is requesting a special use permit to place a single-wide mobile home on the lot for as long as possible.

The hearing on the business zoning was at 10:50 this morning at Route 162 and Mollenbrock Road, where Consolidated Gasoline Co. and Roy Tillmann are requesting rezoning from agricultural zoning to a B-4 wholesale business district.

After the zoning board renders its recommendations, the zoning matters will be voted upon by the Madison County Board at its regular meeting June 20.

80 summer jobs open in GC

Eighty summer jobs await Granite Cityans aged 16 and over, already have been made on those residing in Venice and Madison.

The pay is the minimum of \$3.35 an hour and the types of work vary from clerical to labor.

Frank Beam, area youth counselor of the Job Training Partnership Act, noted that the federally funded JTPA replaces the former CETA (Comprehensive Employment and Training Act) program.

Information on how to obtain summer jobs may be obtained at the Job Service office on Fehling Road near Nameoki Road, Beam said. It is open weekdays from 8:30 a.m. to 4:30 p.m.

The entire Quad-City area is eligi-

ble, but employment commitments already have been made on those residing in Venice and Madison.

After the zoning board renders its recommendations, the zoning matters will be voted upon by the Madison County Board at its regular meeting June 20.

Musical events Wednesday in downtown GC and park

The Granite City Park District will have two special musical events on Wednesday, June 6.

The first concert will be at 11 a.m. at Civic Park in downtown Granite City, and will feature Tom Hopper and his band, playing a variety of music.

Musical events have been held in the past at the downtown location during lunch time and the workers and shoppers seemed to enjoy it very much, park officials said.

Knowing such an event is planned in advance will allow working people to bring a sack lunch that day and enjoy the music while eating lunch, they noted.

At 7:30 Wednesday evening, Stan Fonaszewski and his 17-piece band

will present the first of six "Big Band Concerts" of the season, performing near the 27th Street entrance to Wilson Park. There will also be concerts held at other parks throughout the city during the summer months, it was announced.

"The 'Big Band Concerts' prove very popular the past two summers and the casual atmosphere goes right along with the listenable music."

Residents are encouraged to bring their lawn chairs or blankets to the concerts.

FREE CARDINAL TICKETS FOR ALUMINUM RECYCLERS

Aluminum recyclers in the St. Louis area will have a chance to win reserved seat tickets to a home Cardinal baseball game of their choice this summer through a program announced by Container Recovery Corporation (CRC), the aluminum recycling subsidiary of the Amheuser-Busch Companies, Inc. The program runs for 13 weeks starting immediately. Anyone who visits any of the permanent or mobile-unit CRC reclaimation centers in the Greater St. Louis area, including the one at the Kroger Store in Nameoki Village Shopping Center, will be eligible to sign up for weekly drawings at each location for two reserved seat tickets to the Cardinals home game of their choice. Drawings will be held each week through the end of August.

"Each week's winners will be randomly selected from all the entry forms we receive at each CRC facility," said Ronald E. Smiley, manager of wholesaler operations for CRC. "That way everyone will have a chance to win."

ARREST WOMAN FOR TAKING PURSE FROM GEO'S TABLE

Dawn E. Valente, 25, who listed addresses in the 2500 block of Kirkpatrick Homes and 2300 block of Pontoon Road, was arrested for theft last week at Geo's Lounge on Nameoki Road. Dianna Conley of the 2400 block of O'Hare Avenue, a patron, said her purse, containing a checkbook, keys, cosmetics and other items, was taken while she was away from her table.

Two other patrons described to police a woman who picked up the purse and took it into a restroom. Mrs. Valente was charged after items identified by Miss Conley allegedly were found in her possession. The purse was recovered from a cabinet in the restroom.

Grants available for health programs

Fred H. Uhlig, acting director of the Illinois Department of Public Health, has announced that the state health department is accepting applications from local entities qualified to conduct comprehensive public health services.

"Funds totalling \$1,191,426 will be made available, from the federal fiscal year 1985 Preventive Health and Health Services block grant, to qualified entities," he said. Comprehensive public health services include all program activities associated with home-health services, rape prevention, emergency medical services, chronic disease including hypertension, health education-risk reduction, urban rat control, vector prevention and pest control, dental health including

fluoridation, communicable disease control, solid waste management, nuisance control, maternal health and family planning, child health, pediatric lead poisoning, poison control, nutritional services and recreational areas.

The block-grant funds will be made available, in each of the eight administrative regions of the state on a per-capita basis.

Qualified local entities interested in submitting proposals may contact Regional Health Officer George Rudin in the state health department regional office, on Cottonwood Road in Edwardsville, telephone 1-288-5756.

Uhlig also announced that the

department is accepting applications from local entities qualified to conduct maternal and child health services aimed at reducing infant mortality.

Funds totalling \$500,000 will be made available, from the federal fiscal year 1985 Maternal and Child Health Services block grant, to qualified entities," he said.

Maternal and child health services aimed at reducing infant mortality include prenatal care, infant follow-up, adolescent pregnancy programs and family planning.

Applications for all programs must be received by the regional health officer by the close of business on Friday, July 27, 1984.

ONE DRIVER HURT IN THREE-VEHICLE MISHAP

Phyllis A. James, 45, of 3222 Westchester Drive, sustained an injury last week when the auto she was driving, while in the 1500 block of Johnson Road was struck by a vehicle operated by Brian K. Settles, 28, of 3029 Wayne Ave.

The impact pushed Mrs. James' car into another westbound vehicle operated by Carol J. Hornbeck, 47, of 3221 Newell Drive. Neither of the other two drivers appeared hurt, reports said.

TO ALL the gossips on 2100 block: of Benton that started slandering rumors about my wife. I have obtained legal advice and if you will have a lawsuit against you for harassment and slanderous remarks made herein. Harold. 25 64

PRAYER to application: To the Holy Spirit, you who light all roads so that I can obtain my goal, you who give me the divine gift to forgive and forget all I will against me, and that in all instances of my life you are with me, I want in this short prayer to thank you for all that I have and to confirm once again that I never want to be separated from you. Even in spite of all material illusions, I wish to be with you in eternal glory. Thank you for your mercy towards me and mine. Say this prayer for three consecutive days. After three days favor requested will be granted, even if it may appear difficult. This prayer must be published immediately, after the favor is granted. Only your initials should appear at the bottom. M.J.R. 25 64

ORDINANCE No. 3974 REGULATING JUNKED, DERELICT, DISABLED OR DISMANTLED MOTOR VEHICLES

WHEREAS, motor vehicles are or may be in the future be junked, derelict, disabled, inoperative, discarded, dismantled, partially dismantled or left about the City of Granite City, in places other than junk yards or other appropriate areas; and

WHEREAS, such conditions tend to impede traffic in the streets, interfere with the enjoyment of property; reduce the value of private property; invite plundering, create fire hazards; extend and aggravate urban blight; and result in a serious hazard to the public health, safety, comfort, convenience, welfare and happiness of the residents of the City of Granite City.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GRANITE CITY, ILLINOIS, AS FOLLOWS:

SECTION 1: That the Granite City Municipal Code, 1978, as amended, be further to include the following Chapter 10-25, Junked, Derelict, Disabled, Dismantled or Abandoned Motor Vehicles:

Section 10.25.010 Definitions.

(a) Motor vehicle is any vehicle which is self-propelled and designed to travel along the ground and shall include, but not be limited to, automobiles, motorcycles, motor bikes, motor cycles, motor scooters, trucks, tractors, golf carts, campers and trailers.

(b) Junked motor vehicle is any motor vehicle, as defined by subsection (a) of Section 10.25.010, which is inoperable or which has substantial damage to its body and operable parts, including but not limited to, windshields, headlights, rear lights, bumpers, fenders, chassis, motor exhaust system and other operating parts, requiring repairs of greater than Two Hundred Fifty Dollars (\$250) in costs.

For purposes of this Chapter, a motor vehicle in such condition is presumed to be junked, derelict, disabled, dismantled or abandoned.

(c) Public property shall mean any street or highway which shall include the entire width between the boundary lines of every street publicly maintained for the purposes of vehicular travel, and shall also mean any other publicly owned property or facility.

(d) Person shall mean any person, firm, partnership, association, corporation, company or organization of any kind.

Section 10.25.20 Storing, parking or leaving junked motor vehicles prohibited; and declared nuisance; exceptions.

It shall be unlawful for any person to park, store, leave, keep, locate or permit the parking, storing or leaving of any junked motor vehicle of any kind whether attended or not, upon any public property or in or upon any lot or property located within a Residential District in the City of Granite City as defined by the Granite City Zoning Ordinance, 1981, as amended, for a period of time in excess of five (5) consecutive days. The presence of such a junked motor vehicle on public property or in or upon any lot or property located within a Residential District in the City of Granite City is hereby declared a public nuisance which may be abated as such in accordance with the provisions of this Ordinance. It shall not be a violation of this Chapter if said junked motor vehicle is located or contained wholly within a garage or other permanent structure and away from public view.

Section 10.25.030 Removal of junked motor vehicles - notice - hearing.

(a) Notice: Upon determination that a motor vehicle is junked, abandoned, derelict, disabled, dismantled or abandoned, the City Inspector or Chief of Police, is authorized to post a notice upon said motor vehicle of a violation of this Chapter.

(b) Hearing: Following a waiting period of no less than five (5) days after the posting of said notice of violation, the City Inspector or Chief of Police shall cause a summons to be issued to the registered owner of said motor vehicle or any lienholder; that service of summons shall be proper if made personally or mailed to the last known address of the registered owner or any lienholder. If the motor vehicle is not registered in this State, or is not registered in Illinois, the City Inspector or Police Department shall make a reasonable effort to serve the owner or lienholder with summons, and if unsuccessful, shall post said summons upon said motor vehicle, and such posting shall constitute proper service of summons under such circumstances.

That said summons shall be returnable in ten (10) days and shall advise the owner or lienholder of his appearance date, time, place and right to trial. Failure to appear pursuant to summons constitutes a default, and said motor vehicle may be removed in the manner set forth hereafter.

Upon timely appearance, the owner or lienholder may enter a plea of guilty or not guilty and upon entering a plea of not guilty may request a trial to be held at the next available setting. The entry of a plea of guilty constitutes an admission of a violation of this Chapter, and said motor vehicle may be removed in the manner set forth hereafter.

Upon default, as aforesaid, or receipt of an order of Court upon a plea of guilty or not guilty, a City Inspector or Police Officer may remove, or cause to be removed, said motor vehicle from the expense of the owner or lienholder to a licensed junk or salvage yard.

Upon removal to junk or salvage yard said City Inspector or Police Officer shall immediately send a written report of removal to the Police Department, which report shall include a description of the vehicle, the date, time and place of removal, the grounds for removal and the name of the junk or salvage yard where the motor vehicle was taken. Upon receipt of the report, the Police Department shall notify the registered owner of said motor vehicle, or any lienholder, giving the grounds for removal and the name of the junk or salvage yard where the vehicle was taken. If the motor vehicle is not registered in this State, the Police Department shall make a reasonable effort to notify the registered owner or lienholder of the removal and the location of the motor vehicle. The Police Department shall furnish a copy of the notice to the owner or lienholder of the junk or salvage yard to which the motor vehicle was taken.

That following ten (10) days from removal of said junked motor vehicle, it is hereby authorized that it may be sold for salvage and destroyed, with any proceeds from said sale used to defray the costs of removal, storage and lines assessed before being paid to the owner or lienholder.

Section 10.25.040 Penalties.

That it shall not be a defense of this Chapter if said junked motor vehicle is registered and licensed pursuant to law.

Section 10.25.050 In addition to the provisions for removal and salvage set forth herein, every person, firm or corporation convicted of a violation of any provision of this Chapter shall be punished by a fine of not less than Ten (\$10) Dollars, nor more than Five Hundred (\$500) Dollars and each day that a violation is found to have existed constitutes a separate offense.

SECTION 2: That the provisions of Chapter 10-25, Junked, Derelict, Disabled, Dismantled or Abandoned Motor Vehicles, of the Granite City Municipal Code, 1978, as amended, shall remain, and be in full force and effect and are expressly adopted as part of this Ordinance.

SECTION 3: This Ordinance shall be in full force and effect from and after its passage, approval

and publication pursuant to law.

SECTION 4: All Ordinances and parts of Ordinances in conflict herewith are hereby repealed.

PASSED BY THE CITY COUNCIL OF THE CITY OF GRANITE CITY, ILLINOIS, this 22nd day of May, 1984.

APPROVED BY THE Mayor of the City of Granite City, Illinois, this 24th day of May, 1984.

ATTEST: Robert W. Stevens CITY CLERK No. 60 33 6 4

NOTICE TO CONTRACTORS

The City of Granite City will open sealed proposals at the Office of the City Clerk, 2000 Edison Avenue, Granite City, Illinois 62040. Proposals will be opened at 10:30 A.M. on June 11th, 1984. Work under this proposal will be as follows:

1. Street Department, 2301 Adams Street, Granite City, IL 62040. A. Repair damage caused by hail to the roof of the Northeast flat roof and the Southwest flat roof. Repair is to cover the entire surface and in kind.

B. Remove the damaged loose roof caused by the hail storm and replace with a gabled roof. Trusses shall be 24" on center with 1/2 inch plywood sheathing. Sheathing shall be waterproof, and the roof shall be 15 lb. asphalt felt, with three tab square shingles (good grade). The shingles shall match the existing gable roof. Pitch of the roof shall match the existing roof and if necessary the end windows shall be bricked in to match the existing

brick of the building. The interiors of the windows shall be covered and finished for painting. Proper ventilation shall be provided. Eaves shall match the existing building. The interior ceiling of the Street Department shall be replaced and the skylights removed.

2. Firestation #2, 2300 Rock Road, Granite City, Illinois 62040. A. Repair hail damaged roof, by removal and replacement in kind.

C. Replace window lights as needed. D. Replace interior insulation due to water damage.

Police Station, 2330 Madison Avenue, Granite City, Illinois 62040. A. Repair hail damaged roof. B. Secure all roof opening and seal (water-proof).

4. City Hall, 2000 Edison Avenue, Granite City, Illinois 62040. A. Repair roof air conditioner and other air conditioners as needed.

The Contractor shall propose the Street Department Roofs as repair hail damage only (1-A) as one price and replacement with gable as one price (1-B). Fire Station #2 will be proposed as repair only (2-A) and replacement (2-B) only. All others shall be as shown, 2-C, 2-D, 3-A, 3-B and 4-A.

The Contractor shall submit his proposal on his letterhead and signed by the President of the Corporation or the owner of the firm.

All work to be done in good workmanship fashion and to the satisfaction of the owner. The Contractor will inform the owner when work is to begin and cooperation is essential.

The owner reserves the right to accept or reject any or all proposals regardless of proposal price.

NOTICE TO CONTRACTORS

The City of Granite City will open sealed proposals at the Office of the City Clerk, 2000 Edison Avenue, Granite City, Illinois 62040. Proposals will be opened at 10:30 A.M. on June 11th, 1984. Work under this proposal will be as follows:

1. Street Department, 2301 Adams Street, Granite City, IL 62040. A. Repair damage caused by hail to the roof of the Northeast flat roof and the Southwest flat roof. Repair is to cover the entire surface and in kind.

B. Remove the damaged loose roof caused by the hail storm and replace with a gabled roof. Trusses shall be 24" on center with 1/2 inch plywood sheathing. Sheathing shall be waterproof, and the roof shall be 15 lb. asphalt felt, with three tab square shingles (good grade). The shingles shall match the existing gable roof. Pitch of the roof shall match the existing roof and if necessary the end windows shall be bricked in to match the existing

brick of the building. The interiors of the windows shall be covered and finished for painting. Proper ventilation shall be provided. Eaves shall match the existing building. The interior ceiling of the Street Department shall be replaced and the skylights removed.

2. Firestation #2, 2300 Rock Road, Granite City, Illinois 62040. A. Repair hail damaged roof, by removal and replacement in kind.

C. Replace window lights as needed. D. Replace interior insulation due to water damage.

Police Station, 2330 Madison Avenue, Granite City, Illinois 62040. A. Repair hail damaged roof. B. Secure all roof opening and seal (water-proof).

4. City Hall, 2000 Edison Avenue, Granite City, Illinois 62040. A. Repair roof air conditioner and other air conditioners as needed.

The Contractor shall propose the Street Department Roofs as repair hail damage only (1-A) as one price and replacement with gable as one price (1-B). Fire Station #2 will be proposed as repair only (2-A) and replacement (2-B) only. All others shall be as shown, 2-C, 2-D, 3-A, 3-B and 4-A.

The Contractor shall submit his proposal on his letterhead and signed by the President of the Corporation or the owner of the firm.

All work to be done in good workmanship fashion and to the satisfaction of the owner. The Contractor will inform the owner when work is to begin and cooperation is essential.

The owner reserves the right to accept or reject any or all proposals regardless of proposal price.
